New Faces Are Seen In New Places Of KHS

Scott Griffin coached the varsity team from a high seat.

The first few weeks of school were filled with various activities and excitement. The new building was enjoyed by many, while new friends were being made. Along with the expansion of enrollment, many new members were added to the staff.

Kathy Ramm hungrily munched on a juicy hamburger in the commons.

Karla Davis danced to the beat at the Homecoming dance.

Freshmen girls get into the "swing of things" on Fifties Day.

Each school year has passed quicker than the one before. The activities, attended by many, brought students and teachers together. The year progressed as happiness grew, friendships prospered and battles were forgotten. Most student's "school days" will be remembered as the nicest days of their lives.

Lisa Missouri boogled to the beat of the Commodores.

Students fed themselves as well as others during their lunch periods.

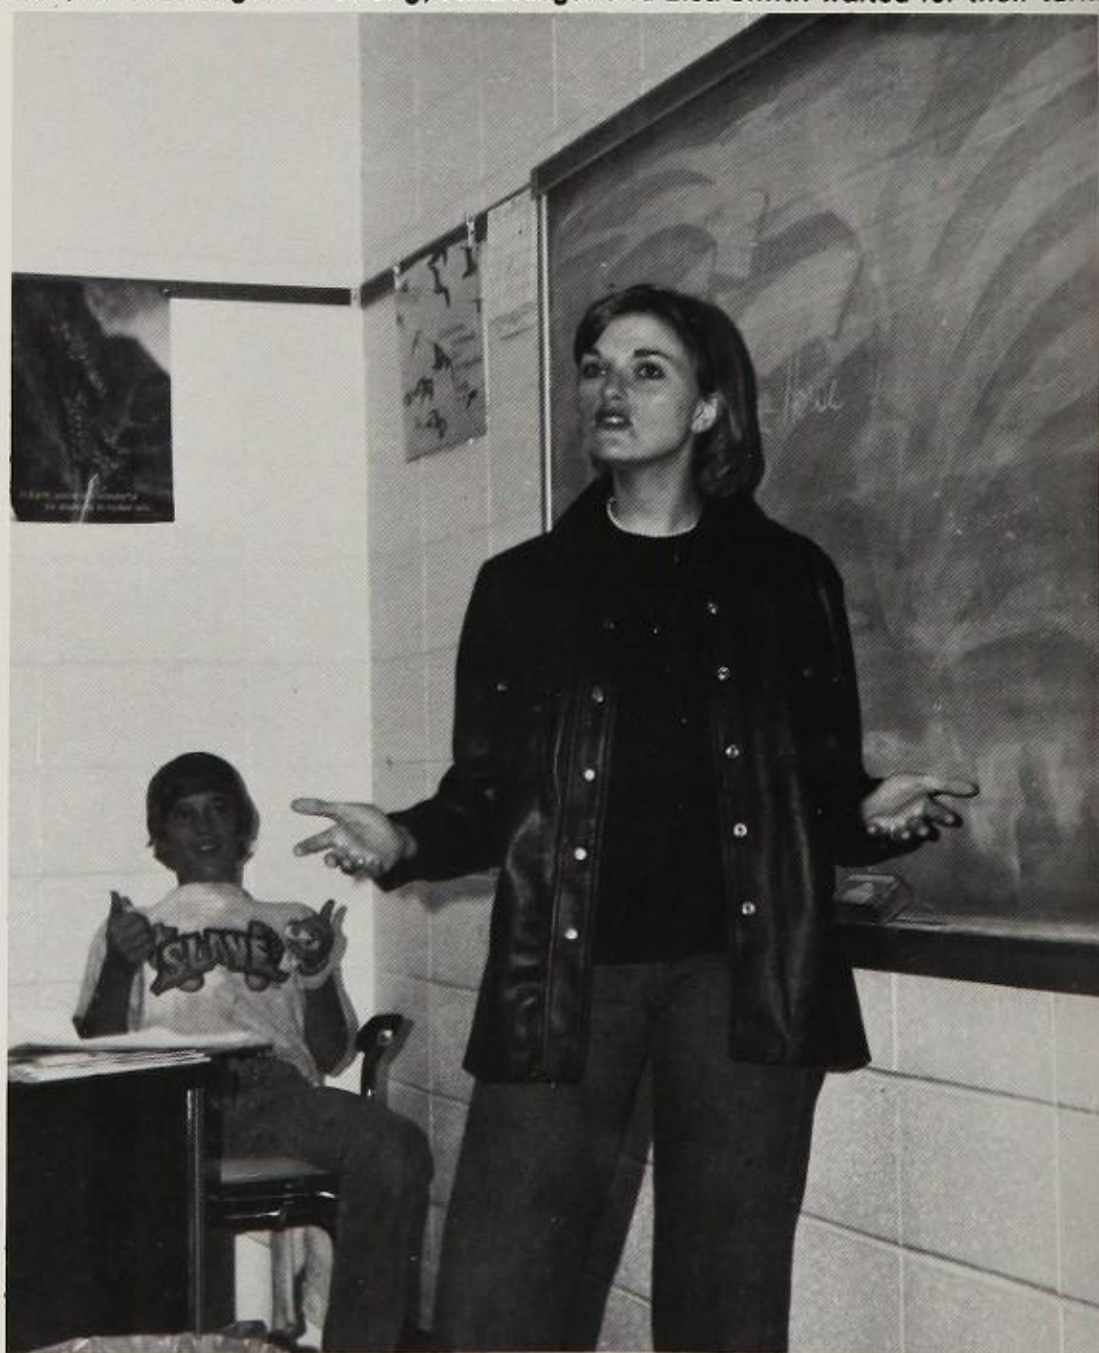

Pam McNeal, Lisa Lomax, Lisa Alexander, Denise Lamastus and Sandy Smith showed their lively spirit at the school pep rallies.

Chris Olson and Liesa Ransleben voted for Homecoming queen, while George Armstrong, Jana Hegar and Lisa Smith waited for their turn.

Kim Nichols consulted a friend about her homework.

"I told you me and Fonzie were related. This jacket was a gift from him."

Friendliness Achieves Togetherness At KHS

A singing birthday telegram was delivered to Robert Bradley.

The Homecoming activities were enjoyed by all that participated. Students and teachers dressed each day for a different occasion, Fifties Day, Button Day, Backwards Day, Overall Day and Boot Day. Homecoming ended with a victory and a dance.

The bonfire silhouetted the cheerleaders as they yelled.

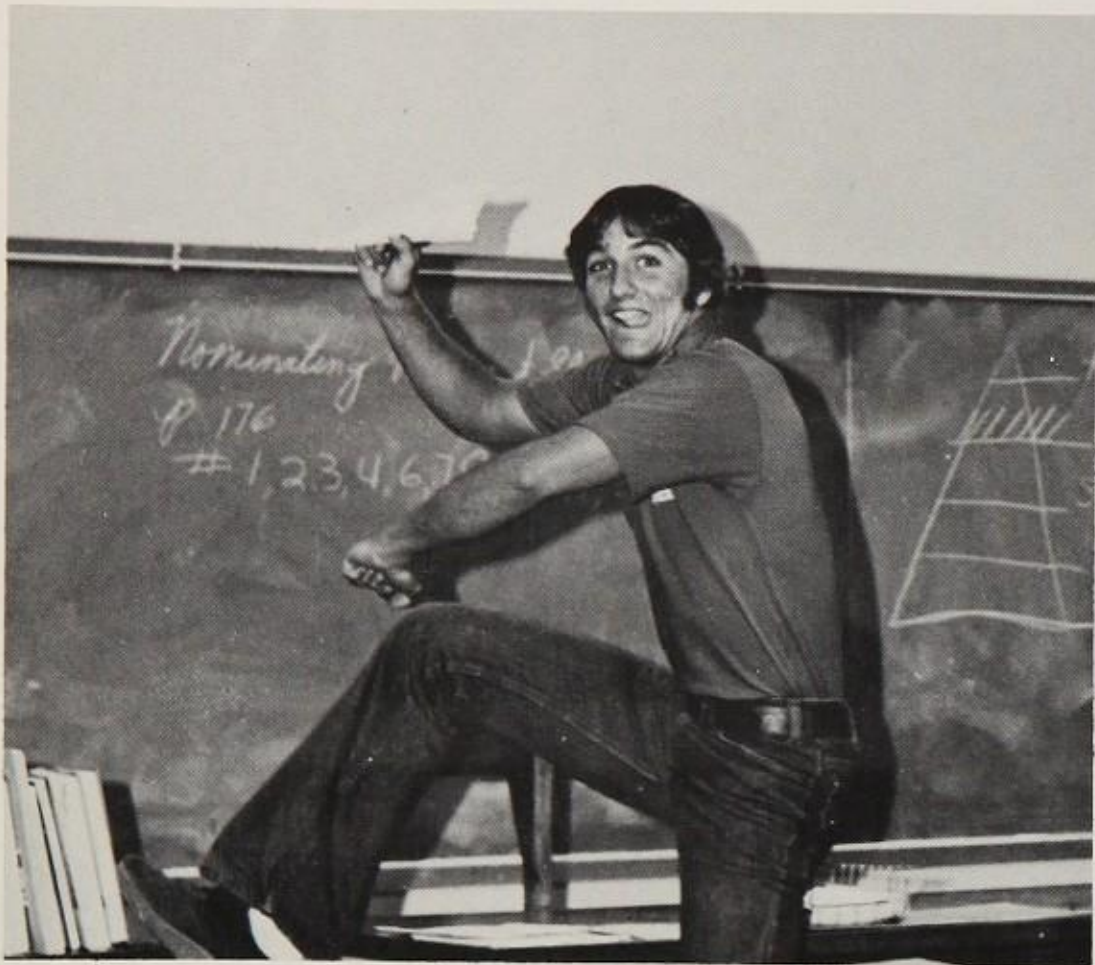

The Huntsville Hornet cheerleaders traveled to Katy and attended a pep rally in order to "knock out" the football team with their spirit.

New School Year Brings Out The Best In Us

After a summer of carefree activities, it was hard to get back in the swing of things at KHS. But, when everyone started to see familiar faces and put their minds back to work, it got easier and we found that being back at school brought out the best in us.

Even with a busy senior year, Ken Raper always found time to clown around.

Cindy Smith helped out the Junior class by selling T-Shirts.

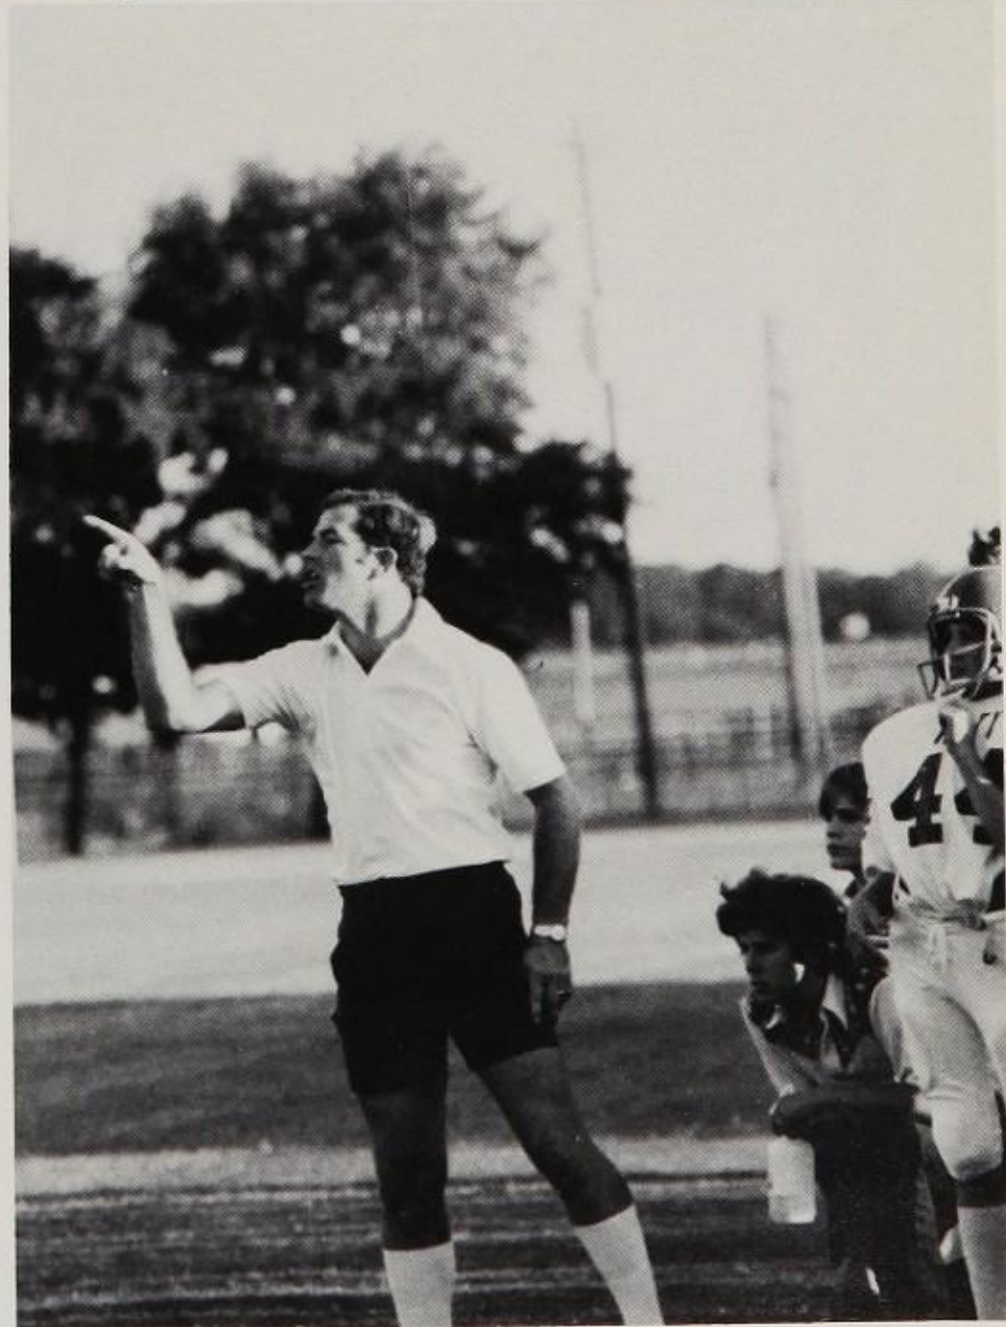

"Okay Billy Caudle, sit as still as possible while I try and straighten your shirt collar a bit so you'll look very handsome for your senior picture!"

Cheryl Grubenman carefully looked over pictures left over from the yearbook. They were being sold by the Journalism Department as a project.

Pep Squad members supported the football team by decorating lockers.

Coach Bill Bunte gave his advice at one of the freshman football games.

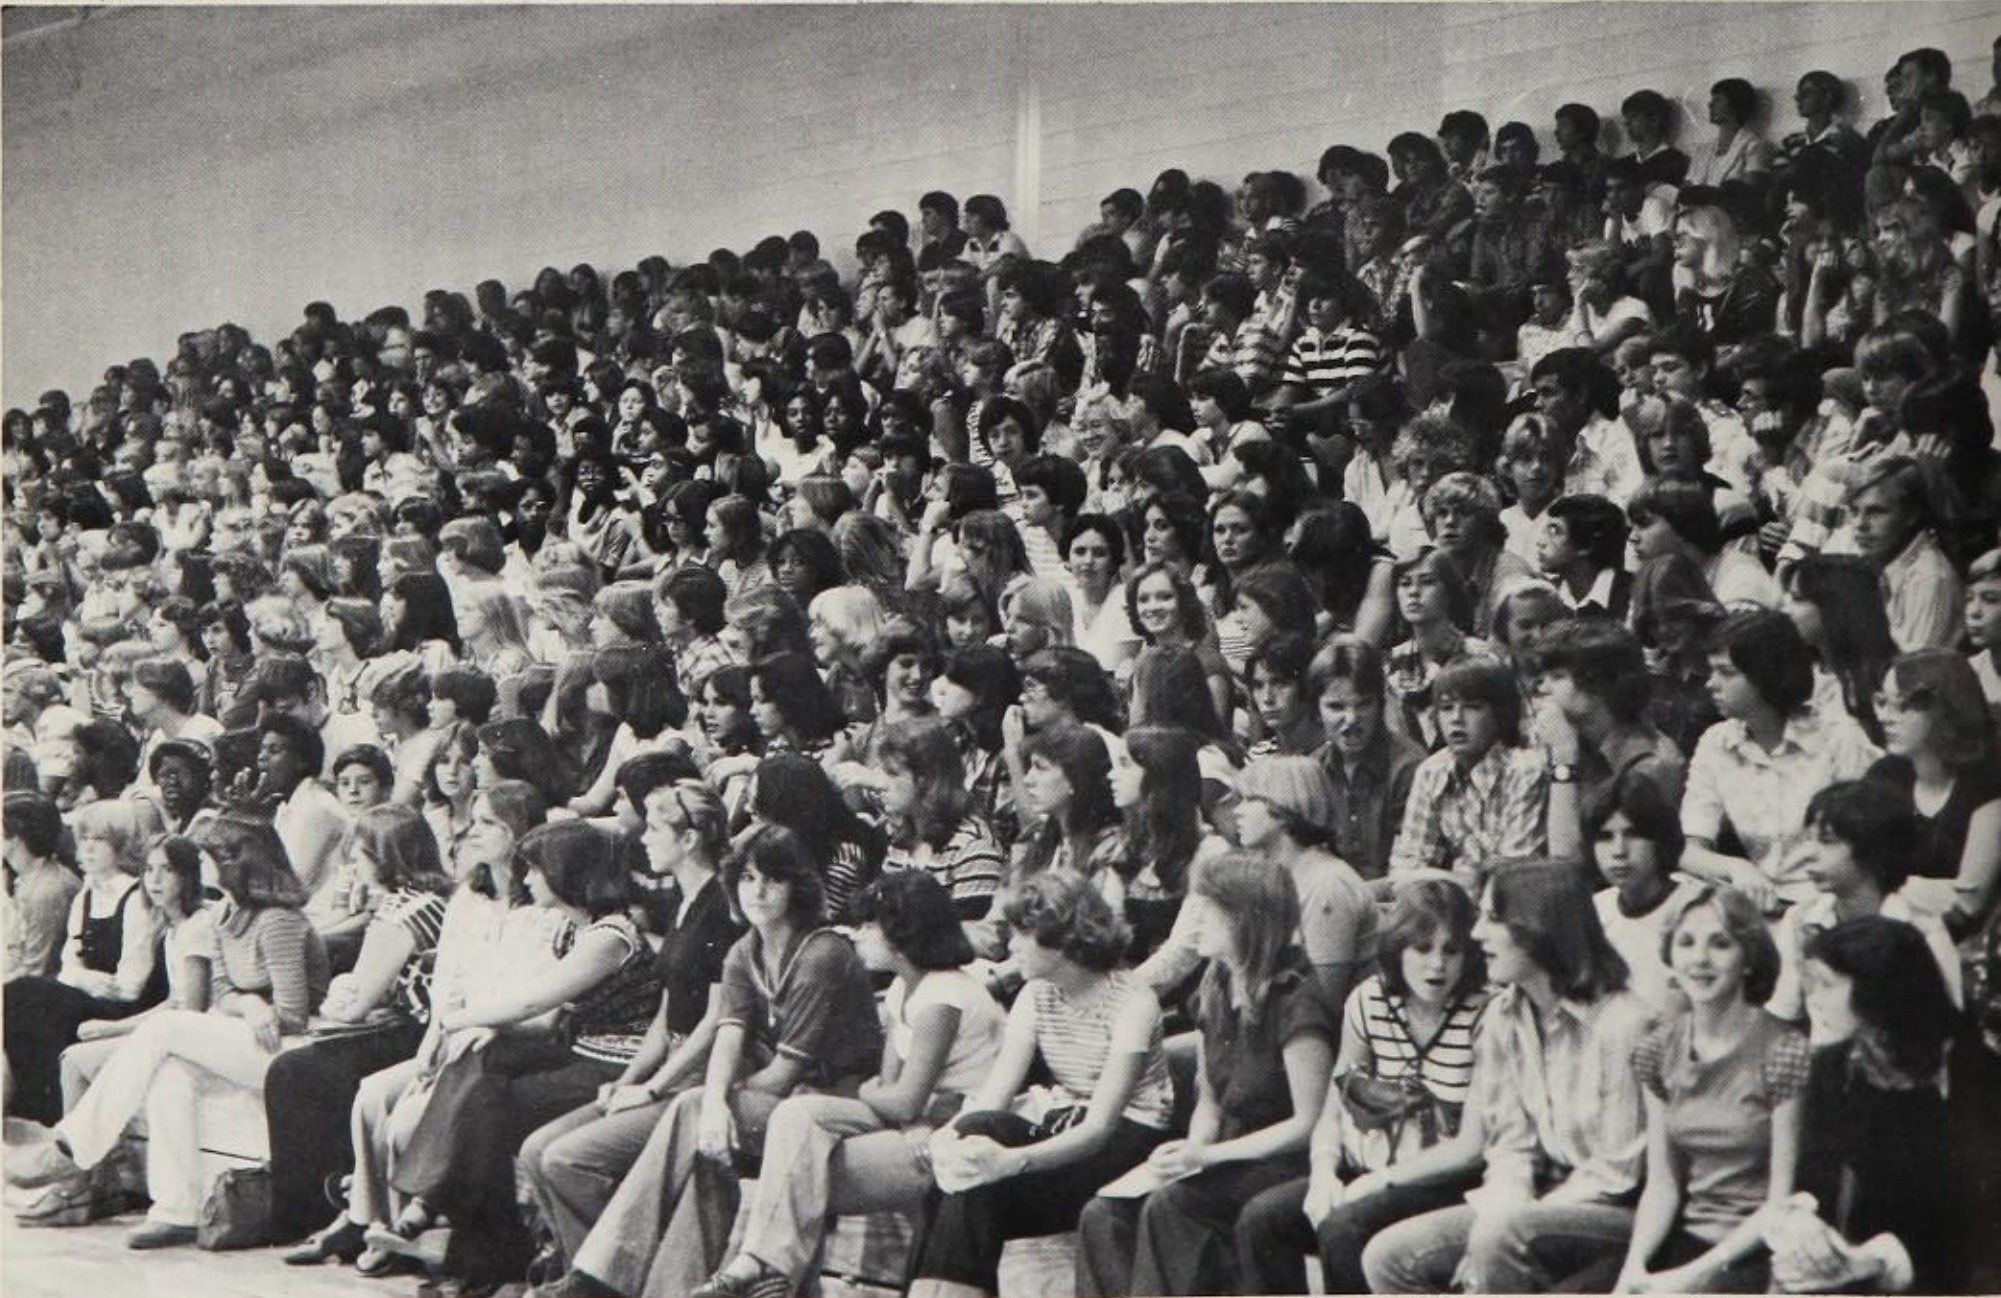

Students Take Part In Planning Activities And Assemblies

Students dressed up to promote the movie, "Murder By Death."

Barbara, Rochel and Sharon helped organize KHS Halloween activities.

Students missed class and discussed the latest with friends, while they listened to interesting and informative topics during assemblies all year long.

10-activities

"We Are Gathered Here Today". . . To Have A Class Meeting

Trey South received his long-awaited class ring as Kevin Bryant and other enviable friends looked on.

Throughout the school year, the best way classes got together and accomplished things was by holding class meetings. In these meetings, elections were held; dances, picnics and money-making projects were also planned. Not only did these meetings organize events, but they also kept the students more in touch with one another and the events of the school year.

"All for going to lunch early say AYE!!"

Many freshmen chatted before a class meeting.

Pep Rallies Declared Better Than Ever In New Gym

Come 3 o'clock Friday afternoons—during football season, the new gym came alive with pep rallies that were filled with cheers, music, color, excitement and most of all—people. It took a bit more effort from everyone to get the spirit going and the team ready for the big game that night. With plenty of skits, new faces, a new drill team and a lot of room in a new gym, the pep rallies were better than ever.

The cheerleaders often got wrapped up in pep rally activities.

Coach Jack Rhoads addressed the student body during the Needville pep rally.

The first KHS Bengal Brigade drill team helped promote spirit and gave the Tiger football team confidence for its tough battle against Huntsville.

Mike, Earle, Ken, Kenny, Steve, David, Doug, David, Pete, Craig, Kenny, Tony and the rest of the team concentrated on the pep rally and game.

The Tiger mascot danced to the beat of the megaphone cheer.

"I just love pep rallies...I wonder how many girls will notice me today."

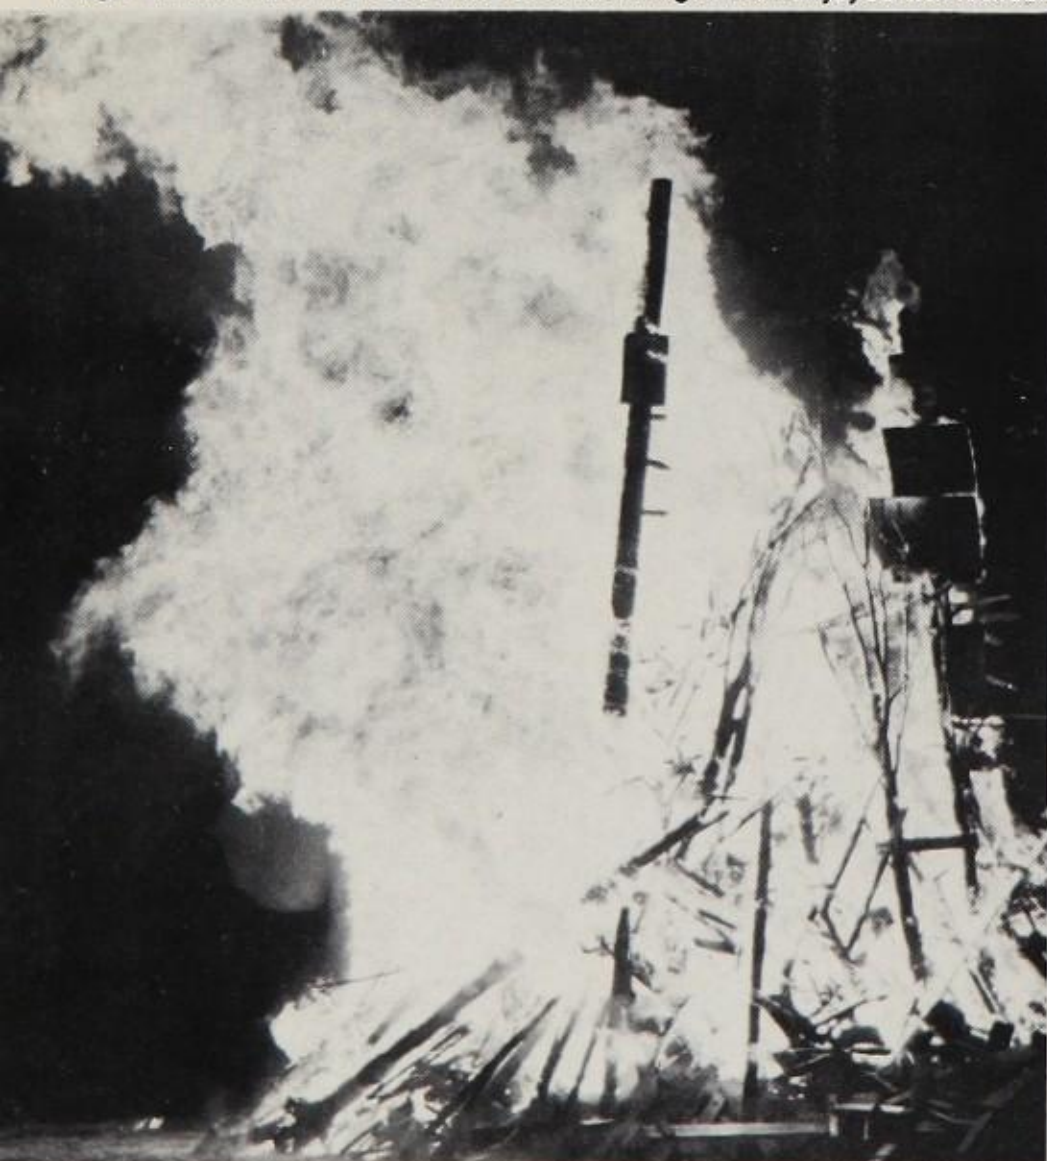

Spirit Soars Thru The Halls Of KHS During Homecoming Week

Paige Emmott and the rest of the Homecoming crowd enjoyed the dance.

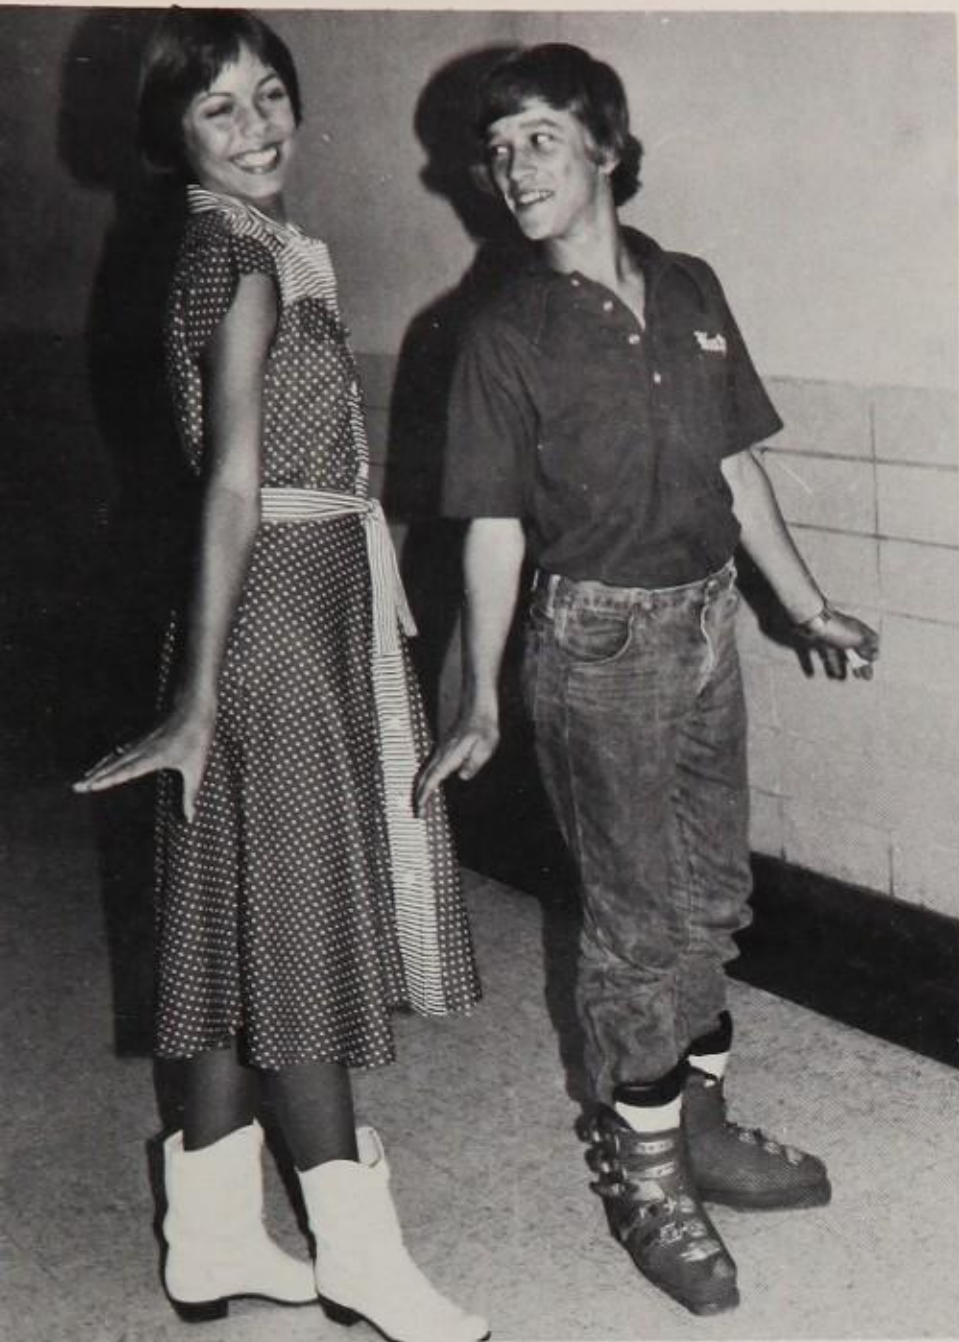

"Ahyyy! What can I say? I know the freshmen are the Kooliest around!"

The annual bonfire was held at CRC, instead of on the KHS campus.

Teresa and Donna thought of what it would have been like in the fifties.

sa Suter and Doug Hanson compared the new trends of footwear.

A feeling of excitement was felt throughout the Homecoming week of 1977. Students displayed their enthusiasm by getting involved in the many events that were planned to promote spirit around the school. The annual bonfire was held at CRC Ranch instead of the school grounds. It was a big success and got everyone in a spirited mood for the game against Navasota. The new roomy cafeteria was the location for the Homecoming dance, which was sponsored by the junior class. Once again, everyone seemed to enjoy an exciting week.

Students anxiously awaited the crowning of the Homecoming queen.

First Annual Sadie Hawkins Dance—Draws A Large Crowd

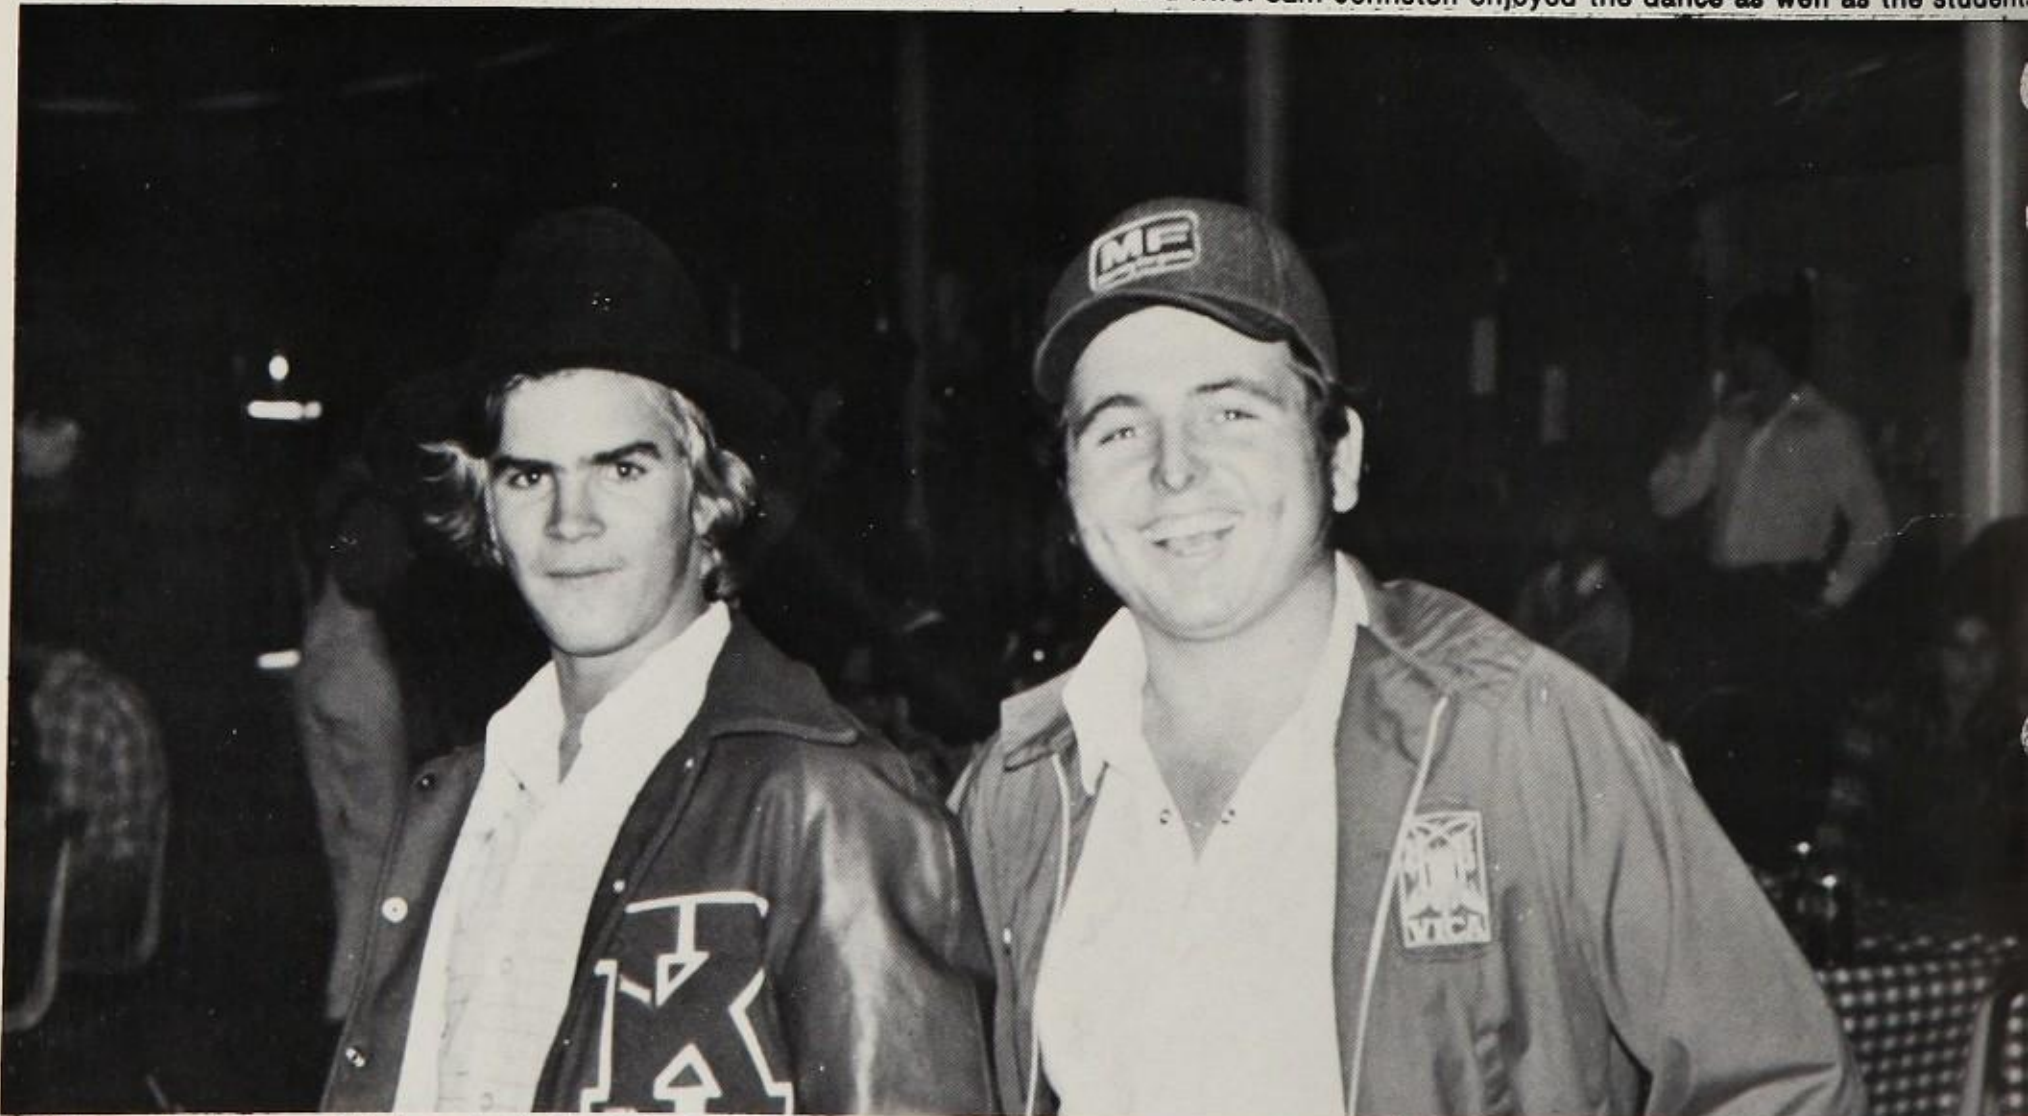

Unlike traditional dances, the tables were turned at the first annual Sadie Hawkins dance, with the girls giving the guys a night out. The dance was sponsored by the Press Club, with the help of Mrs. Kim Janik. "Texas Pride" provided country-western as well as rock music. When the dancers became exhausted, they replenished their energy with popcorn and soft drinks.

A variety of music provided by Texas Pride made the dance successful.

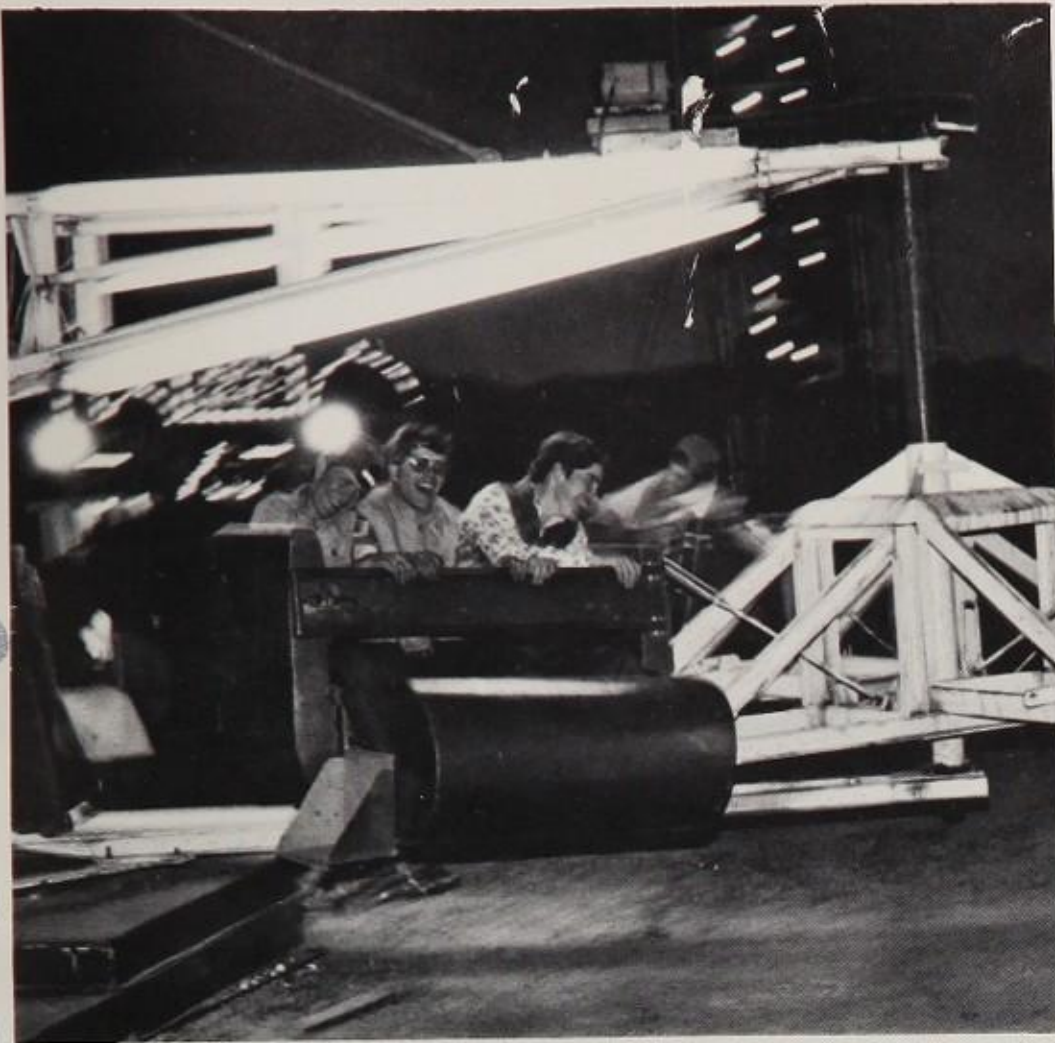

Mr. and Mrs. Sam Johnston enjoyed the dance as well as the students.

"I tell you what Denny, this here Sadie Hawkins dance ain't so bad, I mean with the girls paying our way in and them asking us to dance and all"

35th Annual Livestock Show And Rodeo, Largest Ever

Terry Pope, Jay Weinman and Barry Beckendorff got squashed on a ride.

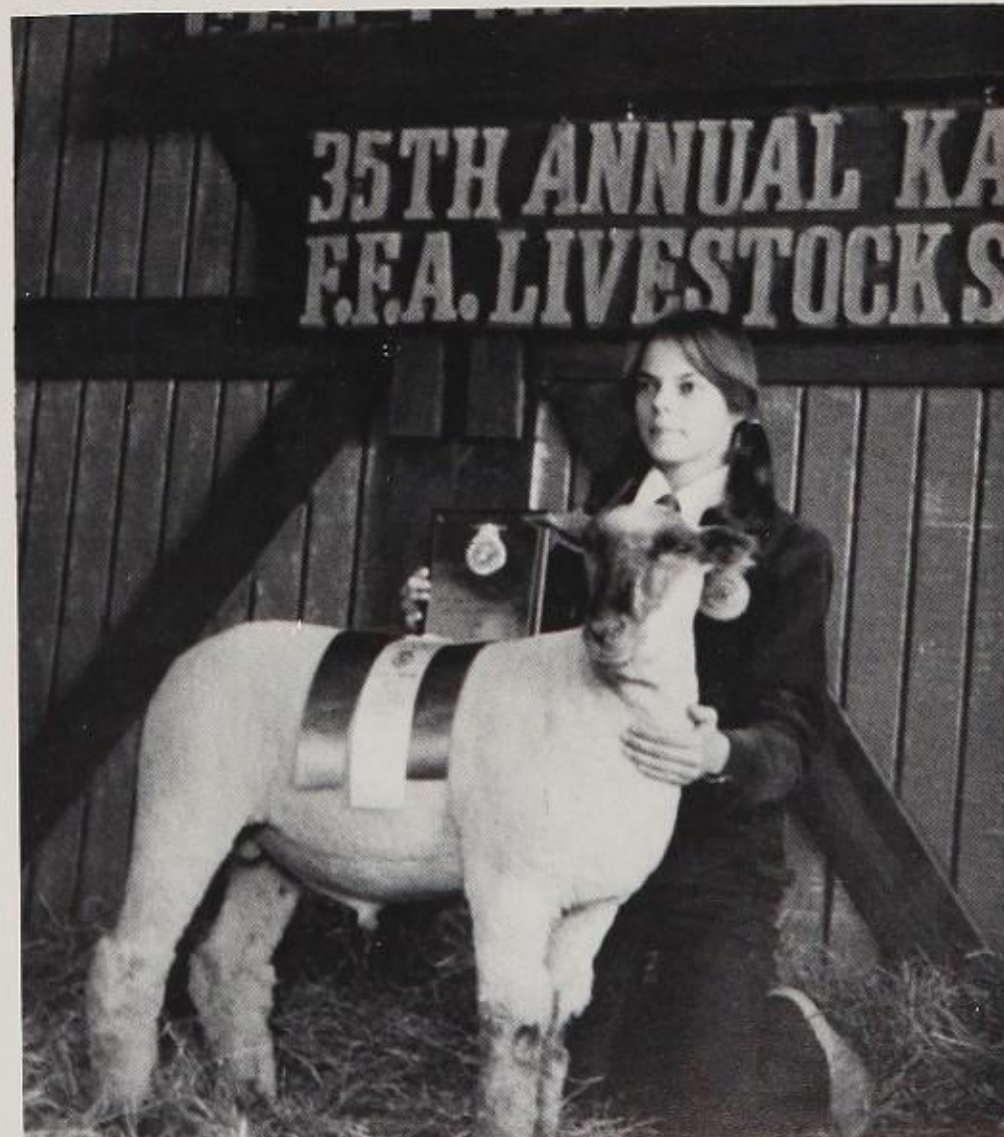

Carol McRight played the fairy princess on the BG's Chicken float.

Fellow FFA members discussed the pros and cons of raising an animal.

The Katy FFA Livestock Show and Rodeo was one of the largest shows in the state, with more people attending than in past years. The three-day event included judging of the animals, raised by Ag students; a parade, a rodeo, an auction, a carnival and a performance by "The Hooper Twins." All the credit for the successful show and rodeo went to the Katy FFA Department and the community.

Sybil Houghton proudly displayed what she and her animal earned.

The Christmas dance, which was sponsored by the freshman class, was one of the many activities that added to the excitement of the Christmas holidays. "Zazu-Pitz" performed the latest hits which aided in making the dance a big success.

The drummer of "Zazu-Pitz" set the beat that kept the crowd on their feet.

Julie Dearing and Doug Greer danced to the music of "Zazu-Pitz."

"Slow dancin', swayin' to the music..Slow dancin', just me and my girl."

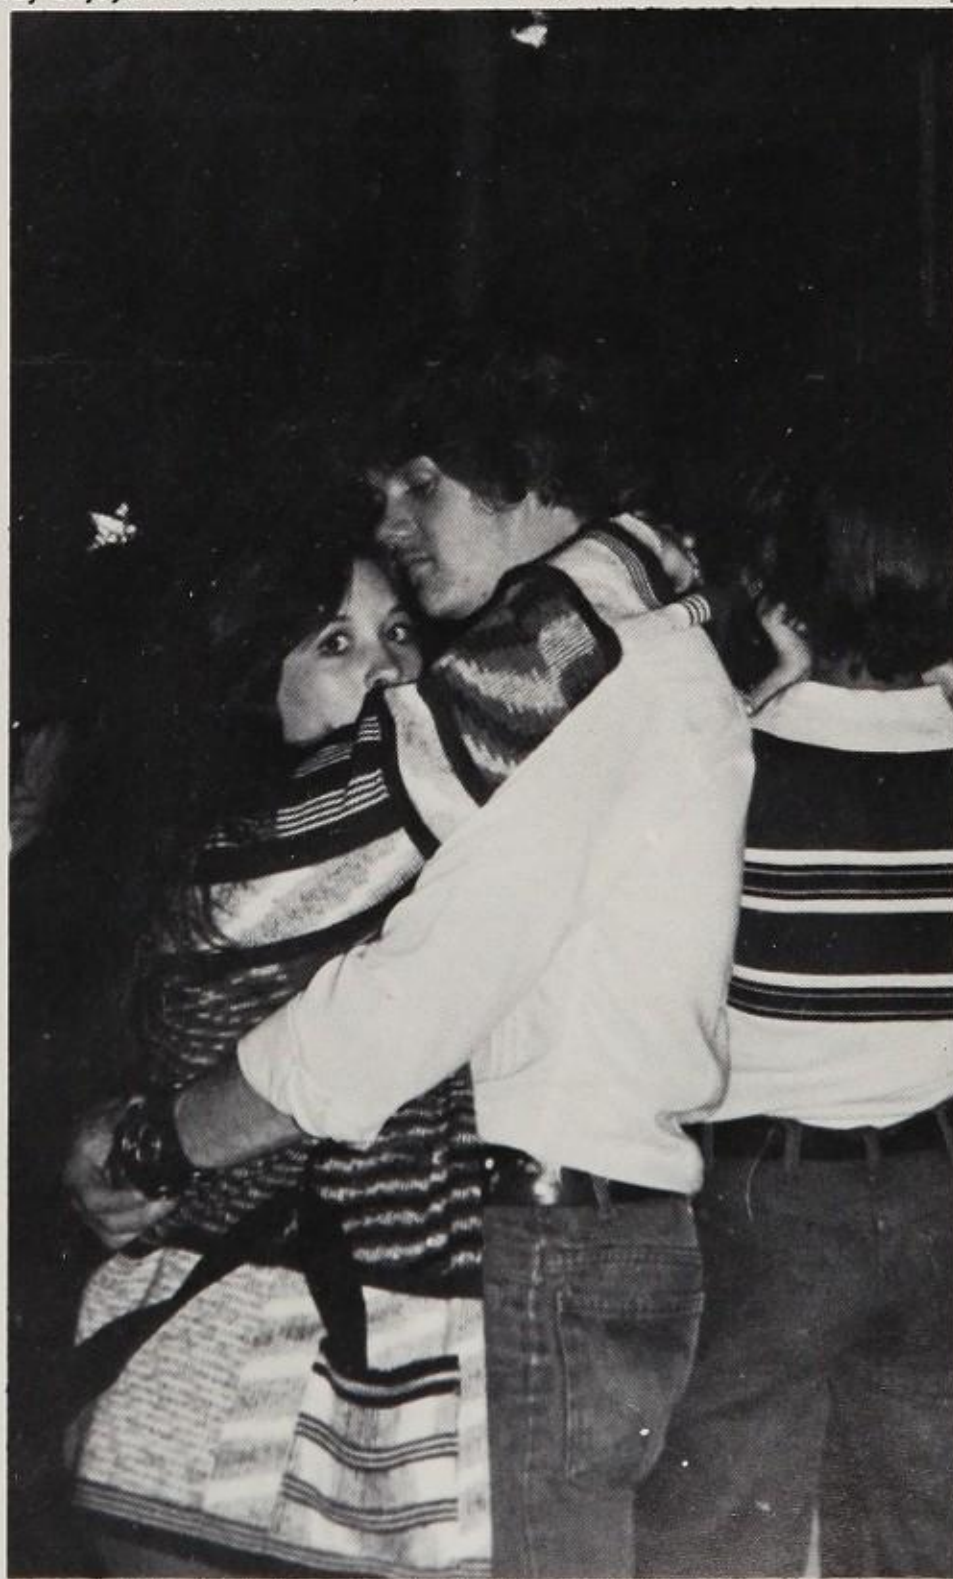

Christmas Dance Starts Off The Christmas Holidays

Students joined the band in taking a short break at the Christmas dance as they enjoyed refreshments, rested their feet and chatted with friends.

Meredith and Melinda Girndt had a heart-to-heart talk with Rusty Sisson.

Rhonda Sikes took time to enjoy a dance with her date, Gary Lewis.

Good Eating, Variety Of Foods, Help Raise Funds

The junior class held a smorgasbord to raise money and they found it was a success. There was as much a variety of people as there was a variety of food. It was held in the commons at KHS.

Lester Reinecker and his wife, Bobbie, helped themselves to some good food.

Mr. Olan Thompson learned that eating out is fun, even at the school.

Cheri Fletcher was one junior who helped with the smorgasbord.

Disco Dance Tips Off The Basketball Season

A large crowd of people who could have "danced all night" came to the dance to celebrate the opening of the basketball season.

Denise Bryan performed with the drill team to the hit song "Night Fever."

The Bengal Brigade had some great ideas for the Tip-Off dance that was held to start off the basketball season at KHS. Unlike most dances, this one did not have a band because it was a disco with all the latest songs. There was a fog machine and a slide show that filmed colorful designs on the ceiling of the commons. All of this, and a routine performed by the drill team during a break, made the students of KHS hope for more disco dances in the future.

Kim King enjoyed a romantic slow dance with Robert Callegari.

Choir Presents A Night Of Entertainment With "Broadway"

The Choir Department, under the direction of Dianne Harrison, presented an outstanding performance of "Broadway." The show included numbers from "Cabaret", "Oliver" and many other Broadway plays. The performance took a lot of long hours of practice and organization, but all the long hours were worth it after the show was a success.

Kathy King played a character in a scene from "Oliver." She sang the solo "I Feel Love."

Dan McJunkin sang, "I love you more than anything!" to Julie Dehlin.

Tracy Brast, member of the jr. high choir, helped with the show.

What would "Broadway" be without dancers to go along with all the music? Members of the "Broadway" cast danced in a scene from "Cabaret."

FFA Banquet Looks Back On Successful Year

The Katy Future Farmers of America held their annual banquet to give honor and credit to all of its hard working members. Awards were not only given to honorary members of the FFA, but also to people outside the department. A plaque was presented to Supt. James E. Taylor and to Cathy Fulkerson, FFA sweetheart.

An honorary member, Billy Bishop, received the American Farmer's degree.

Bonnie Cook and Deanna Allen entertained for the FFA group

Sport Support Is The Name Of The Game

The Sports Booster Club presents a banquet every year in honor of the KHS athletes who worked hard throughout the different sports' seasons. The speaker for the Fall Sports Banquet was Bob Wright from Texas A&M University. He presented a speech on pride and dedication, a characteristic each athlete should have toward his individual sport. The banquet was held in the new commons and served a large crowd.

Bob Wright was the guest speaker at the Fall Sports Banquet.

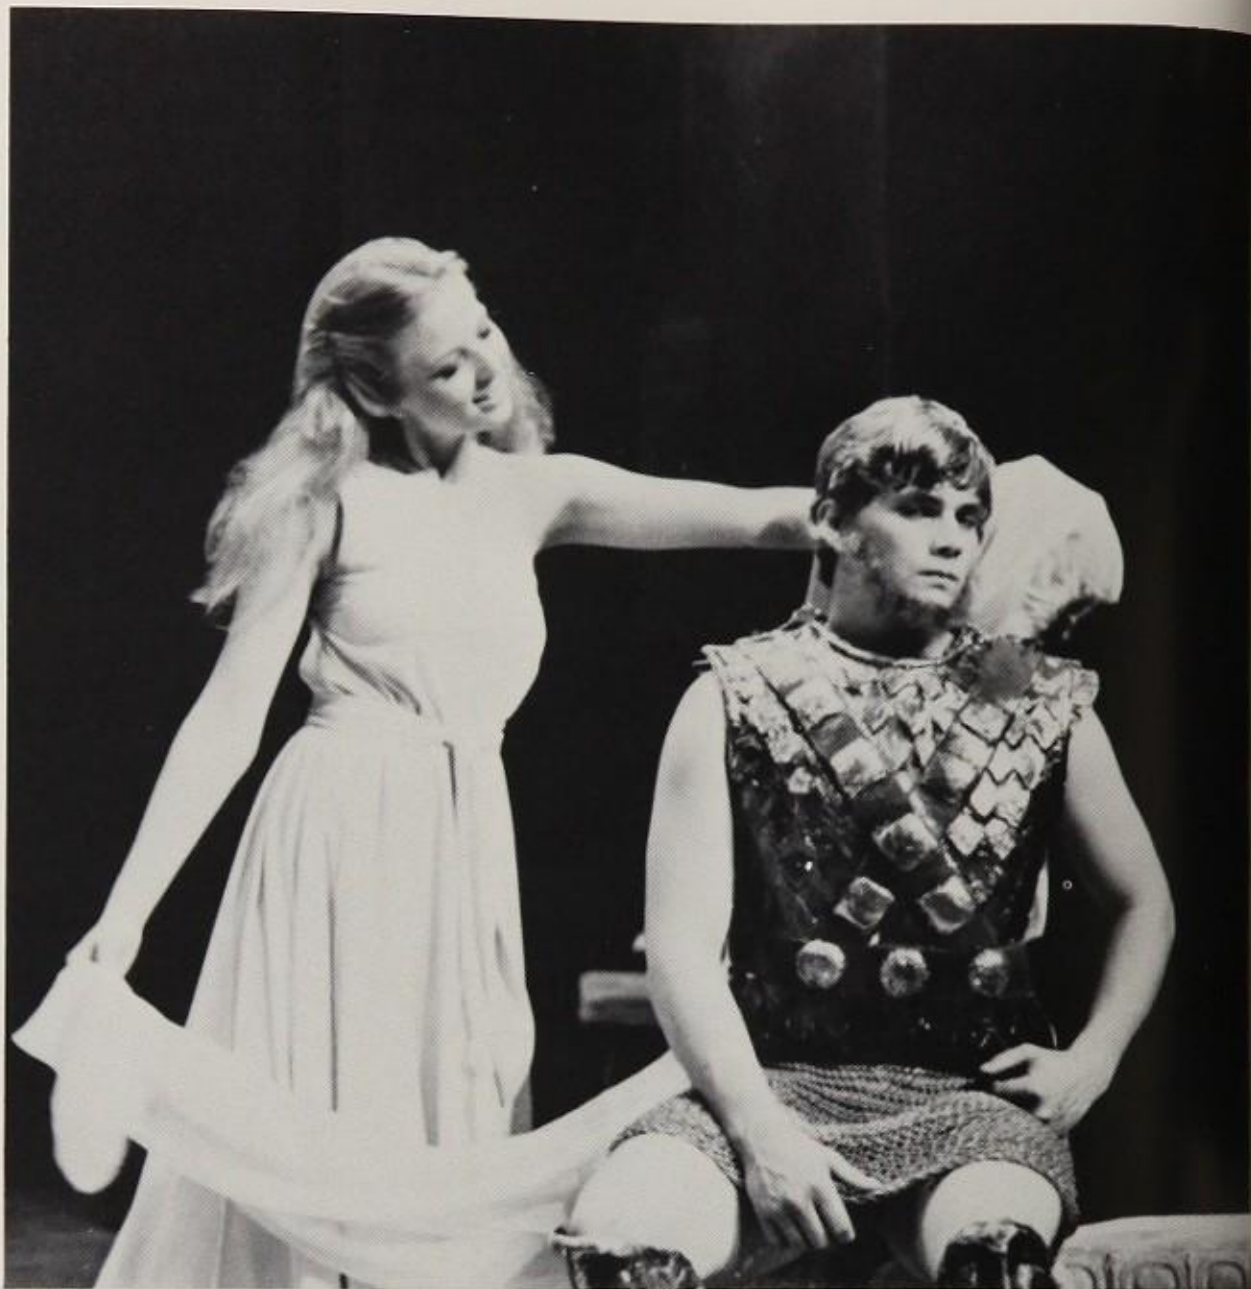

Coaches ate their meals at a reserved table that gave them special recognition.

After the meal was served, everyone listened attentively as the coaches credited the athletes who did outstanding work throughout the season.

The Drama Department Presents "The Trojan Women"

The KHS Drama Dept. worked hard on presenting a play for U.I.L. competition. They competed against other 3A schools, and they were the source of entertainment for the KHS students and community. The 1978 play was "The Trojan Women" and it advanced to U.I.L. State competition. The play was directed by E.L. Williamson, Drama and Speech club sponsor.

Cassandra, played by Brenda Wachel, flirted with Talthylous, or Todd Handley.

Cassandra planned on killing Mike O'Malley, who played a soldier.

Talthybius handed a dead baby to Hecuba, played by Mickie Robinson.

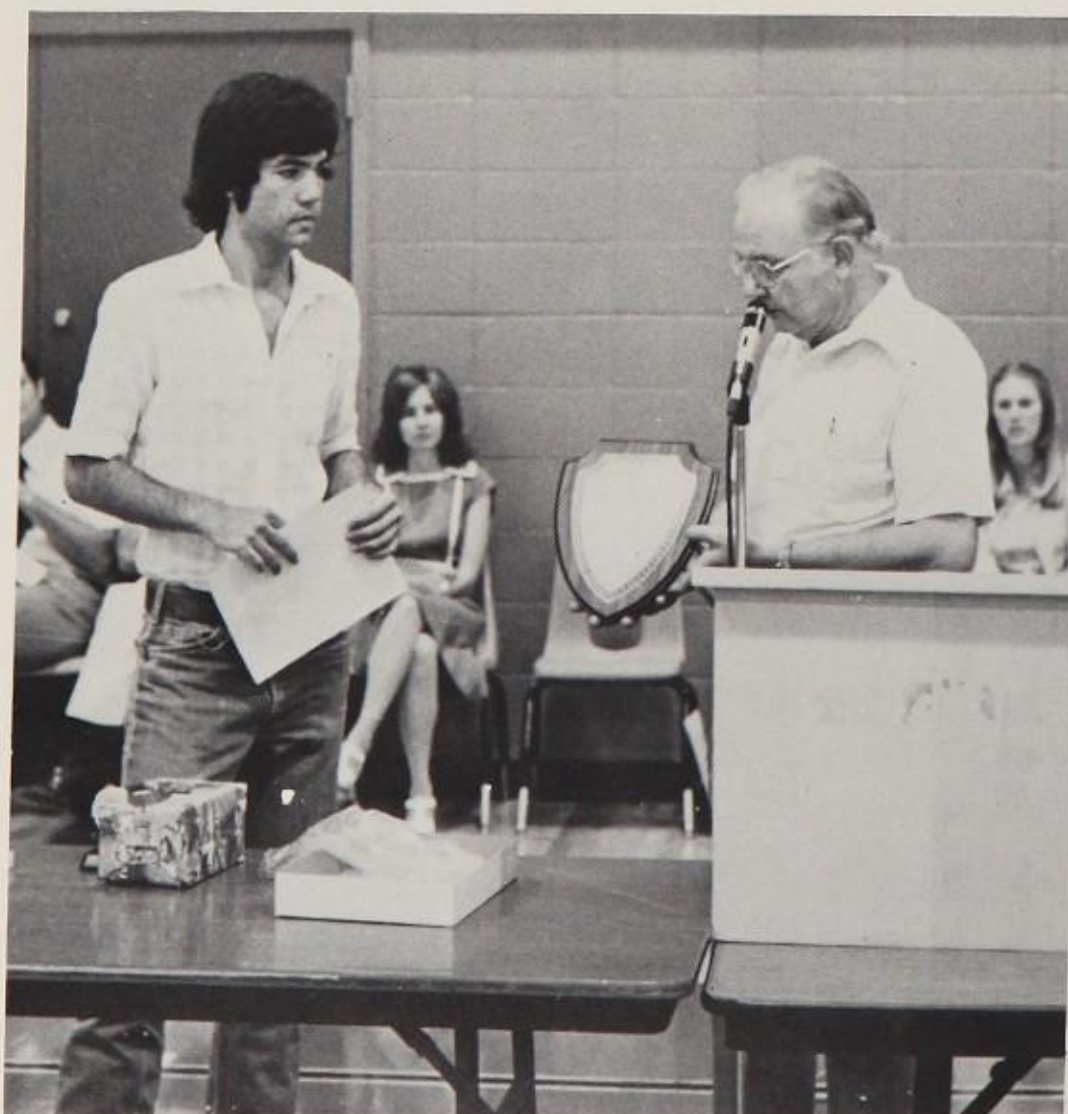

Lisa Rice, Amy Stubblefield and Judy Burnett played three grieved women, who performed an abstract dance in the play, "The Trojan Women."

Awards Are Presented To Hard-Working Achievers

Members of the Speech and Drama clubs gathered to receive individual trophies and plaques from E.L. Williamson, sponsor of the clubs.

The awards assembly was held at the end of the year for everyone at KHS. This was a time to recognize those who worked their hardest through the year in all fields of education. Awards, plaques, trophies and scholarships were given to students of all grades by proud members of the faculty.

Dennis Hilton received an UIL Science award and later took first in state.

Joe Kempel received the Golden Hammar award In Industrial Arts.

Mrs. Kim Janik presented an award to Cheri Allen, a Kourier staff member.

Coleen Cooley received an award from Principal T.H. McDonald.

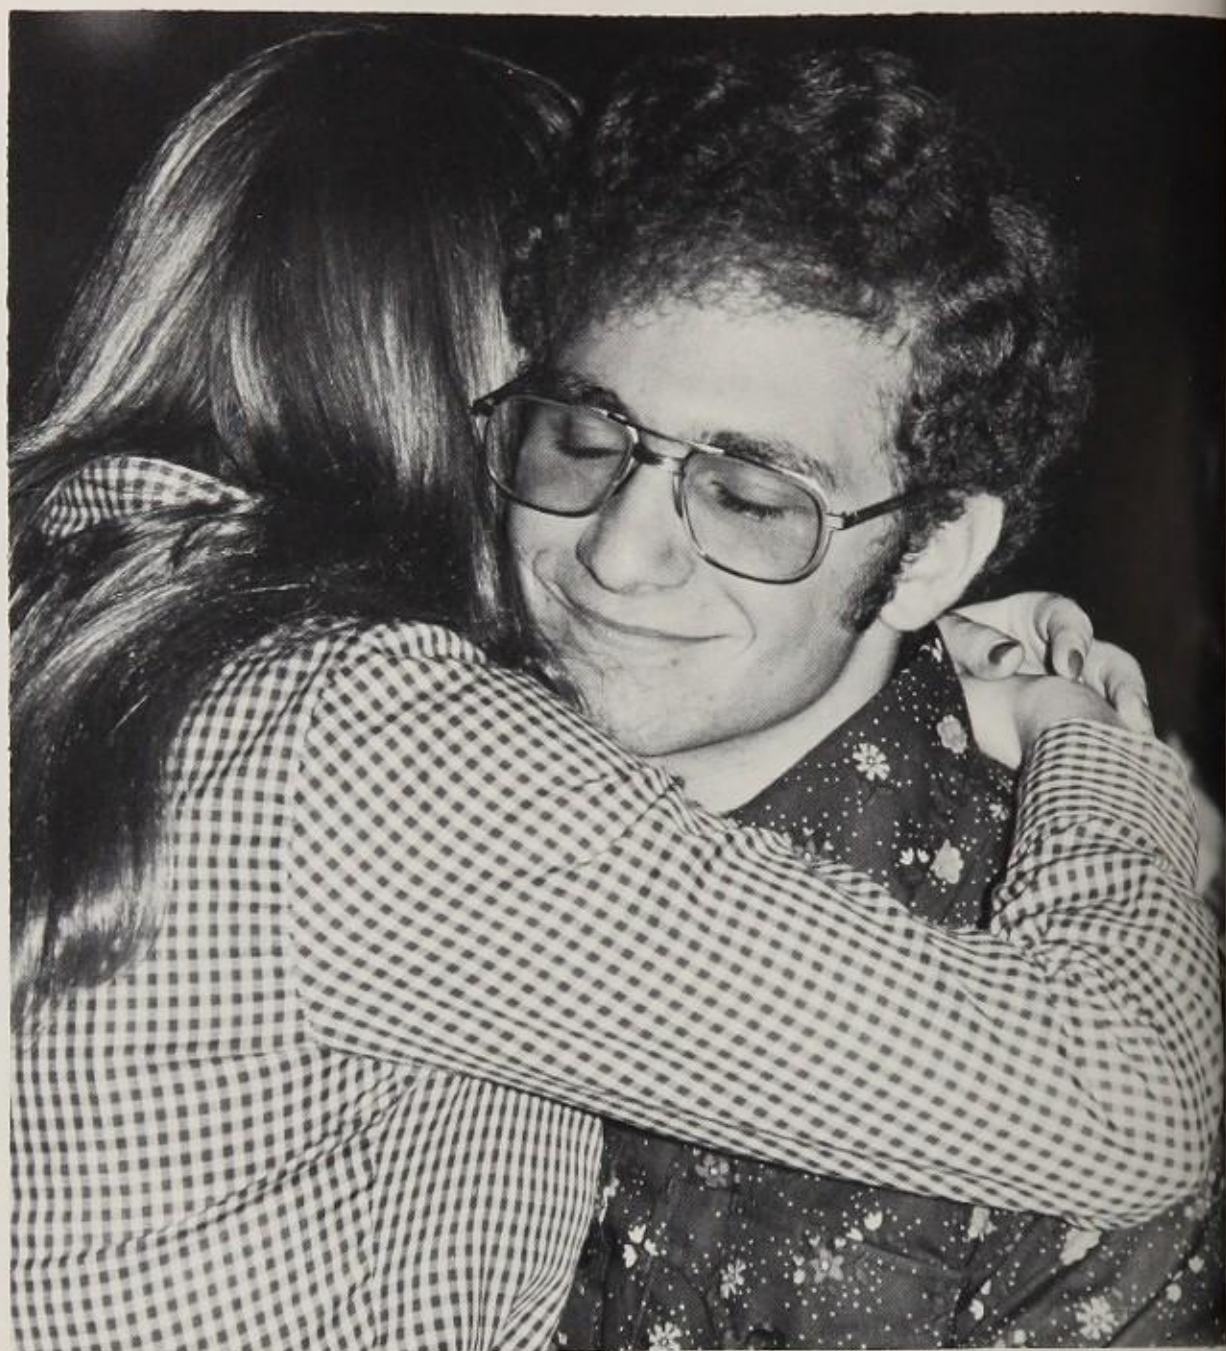

A proud Dean Wehunt was presented a well-earned scholarship from Principal McDonald, as the crowd chanted, "We-hunt, We-hunt, We-hunt..."

Cupid Strikes KHS' Hearts on Valentines Day

Valentines Day was once again a big event at KHS. The Student Council did their part in selling telegram messages that one could send to that special person. The sophomore class sponsored the Valentine dance that was held in the commons. The announcing of the class sweethearts and Valentine's Queen highlighted the evening.

Kevin Bryant and Kristy Davidson boogied to the beat.

Roger Goldstein had a romantic moment with his sweetheart at the Valentine dance.

Enjoying a change of pace were Mark, Cherl, Ronnie and Sharon.

Sheila Roesner helped out by serving refreshments during a break.

Freshman Sweetheart was Laurle O'Malley, escorted by Trey Wilson.

Sophomore Sweetheart was Kim South, escorted by Bruce Golden.

Senior Sweetheart was Lisa Wilson, escorted by Bobby Washburn.

Senior Sweetheart was Susan Stovall, escorted by John Kubena.

Nervous Is When You're Trying Out For Cheerleader....

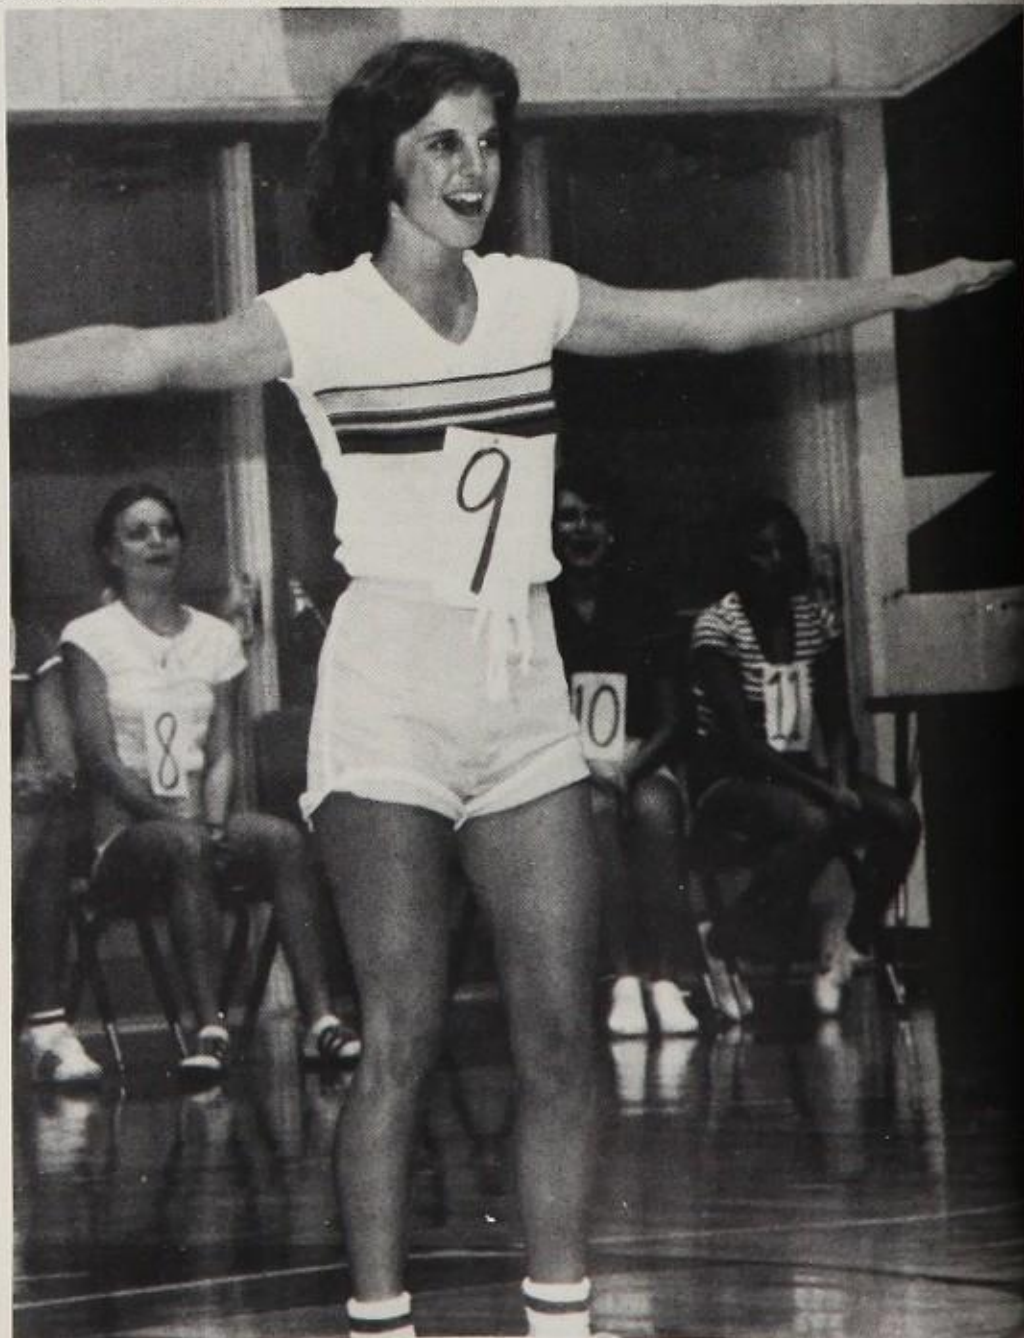

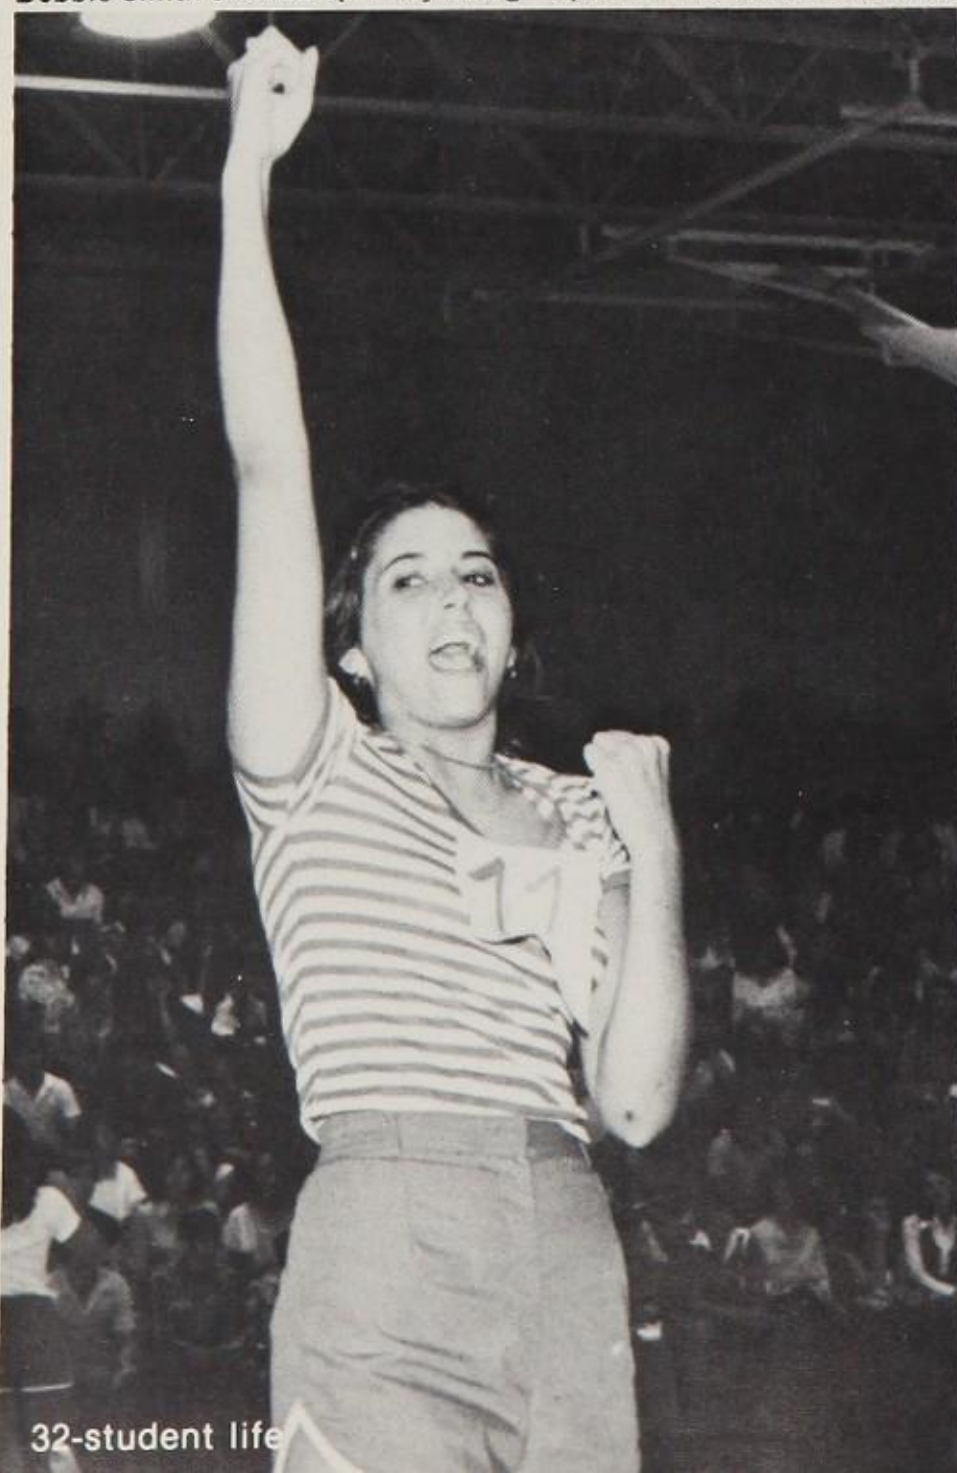

After a week of practicing cheers, the candidates for the 1978-79 cheerleaders went before judges to see who would make it to the finals. Those who made it to the finals went before the student body. It was a rewarding experience for all who participated and was something they'd all remember for a lifetime.

Debbie Smith showed spirit by doing "Spirit Drive" with the other candidates.

Roblyn Nemmer gave a speech instead of a cheer after her injury.

Kim Hayward did her individual cheer before the KHS student body.

KHS Seniors Are Judged In Beauty And Brawn Contest

The ten nervous finalists smiled as they stood before the panel of judges, while their votes were tallied, in the Most Beautiful and Handsome contest.

Towards the end of the school year, the senior class took nominations of senior boys and girls for the most handsome and most beautiful contest. The original nominees were narrowed down to the top ten. The top five in each category went before a panel of judges, all from outside the Katy area. The contestants were judged on personality, poise and looks. The winners for the 1978 contest were: Robin Mansell, most handsome and Denise Bryan, most beautiful.

David Vaughan wondered who invented some of the silly contests.

"Hi, I'm Robin Mansell and I'm filling in for Johnny Carson on tonight's show."

Everyone "Decks Out" For A Night On The Town

The Junior-Senior Prom had more people attend it than ever before, and everyone that attended it agreed that it was a success. It was held on Saturday, April 15, at the White Hall Hotel, in Houston. The band that entertained, for the evening, was "Compass." They played a variety of both rock and country-western music.

Cheryl Cutler danced to the music of "Compass."

Scott Reynolds gave a sneaky-looking grin while he enjoyed the prom with Beverly Schneider.

Tesa Benz was caught leading Donald Snowden to his favorite place—the munchies table.

The prom brought couples like Lenny Price and Leeann Birdwell closer together, and it gave them many special moments they'll always remember.

In formal attire, Liz Hultgren and Lee Robinette made a grand entrance.

Joli McMeans and Robert Jinks took time to enjoy the prom atmosphere.

May Day Brings Tough Competition Between Classes

May Day festivities take place once a year at the end of the school year as a kind of celebration that school is ending. Each year the amount of people attending becomes larger and more events are added. The activities take place on the football field and the competition is between the classes. The prize for winning is just plain satisfaction for beating all the other classes.

Benae Colbert tried her luck at throwing an egg in the egg toss.

Linda Cobia kept things going by keeping tabs on the winners.
36-student life

Pat Victory and Cynthia Gonzales were entered in the wheel barrow race.

The orange pass gave students a chance to get "closer together" as demonstrated by Phil and Lacey.

The freshman girls worked together in the tug-of-war.

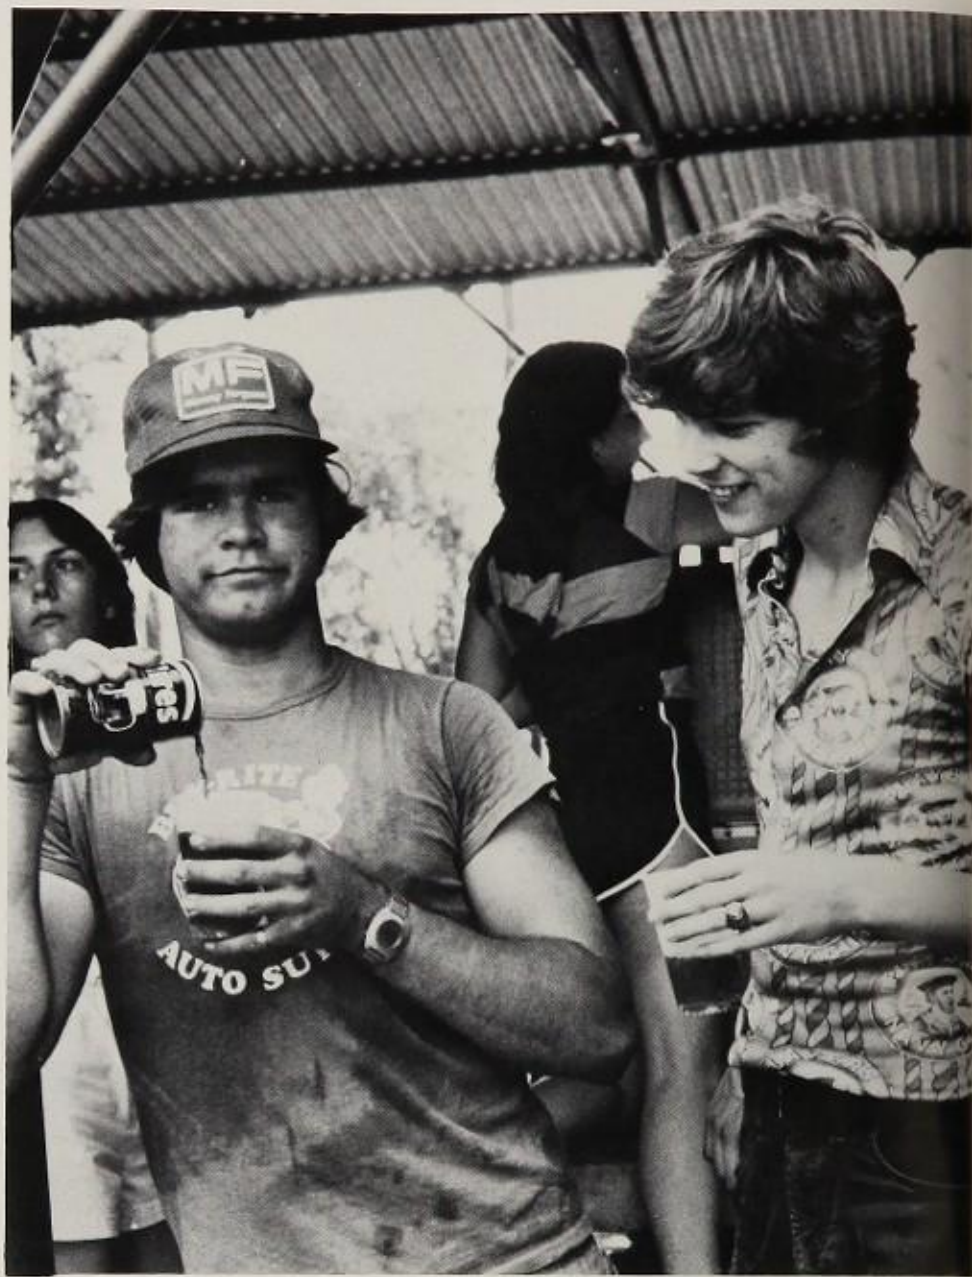

Pat May guzzled as fast as he could so Cassie Owings could begin her "ride to victory."

Graduating Seniors Celebrate With One Last Picnic

One of the many events that was held for seniors, towards the end of their last year, was the senior picnic. It took place at the Katy VFW Park. All KHS seniors were invited to go and have a cook-out. The picnic gave everyone a chance to get together and reminisce old memories, laugh about good times and discuss plans after graduation.

Coach Dennis Demel gave cooking lessons to Coach Marvin Sanders.

Billy Caudle poured himself a cold one as a fellow senior looked on.

KHS Seniors Hold The Second Disco Dance Of The Year

1978 was the year for disco music and dancing. KHS had its second disco dance of the year, during the last few days of school. The dance included disco music, fog machines, a light show and other special effects. The dance was sponsored by the senior class.

Denise Bryan danced in the middle of the crowded dance floor.

"I'm telling ya' Sandy, I took disco lessons from John Travolta himself!"

Bruce Golden played the base guitar and Renee Walters, vocal...

Cheri Felchak showed she can really boogie up...and really boogie down!

Proud Coaches Recognize Players At Spring Sports Banquet

David Youngblood spoke on the swimmers' fine work.

A good tennis player, Ilke Bryant Frihart, deserved an award from Coach Mike Mills.

Since KHS grew to be so large, one sports banquet proved to be overcrowded. To accomodate all sports equally, KHS held a fall and a spring sports banquet. The purpose was to honor the individual athletes of each sport.

Andrea Randall's close friends presented her with a special award.
40-student life

Mrs. Ellen Beck's smile showed the pride she had for her track girls.

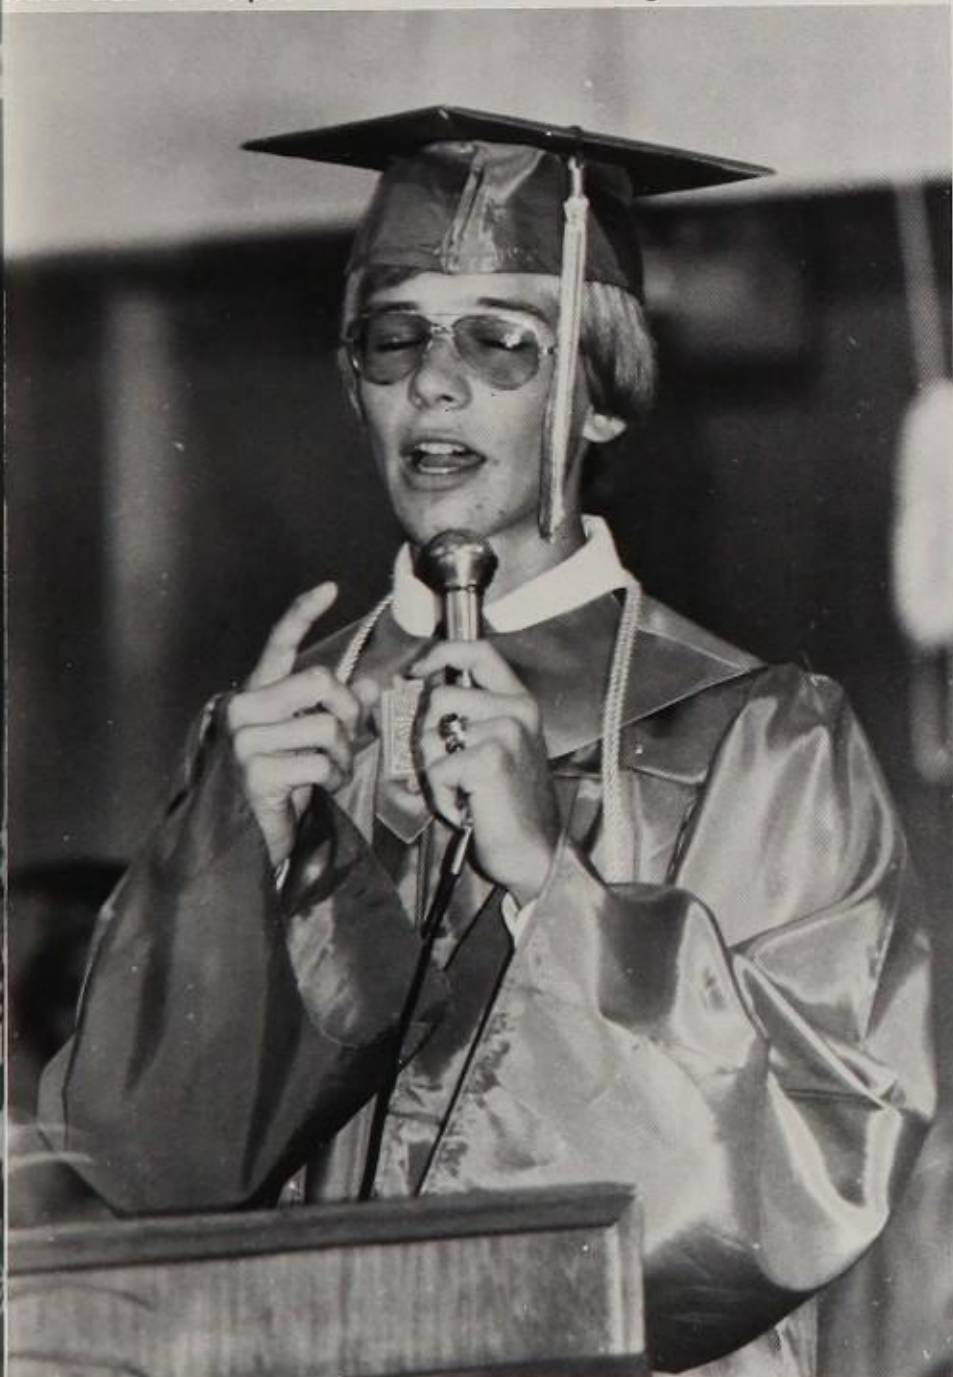

Seniors Hold Rehearsal To Make Graduation A Success

Gwen Guzman helped a friend look her best at graduation.

Seniors goofed around in the hot sun, while they waited for their names to be called.

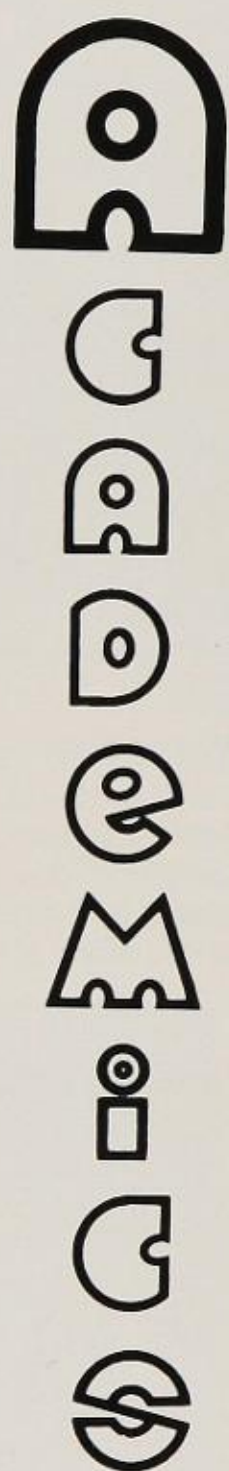

David Riddle gave a spiritual speech that concerned graduation.

Graduation paractice was one of the last things needed before the ceremony itself. Practice was held outside, on the football field. It was a hot, sunny day but due to rainy weather, the real ceremony was held in the new gym. The weather didn't hamper anyone's spirits, and everything went smoothly. KHS let go of one more senior class.

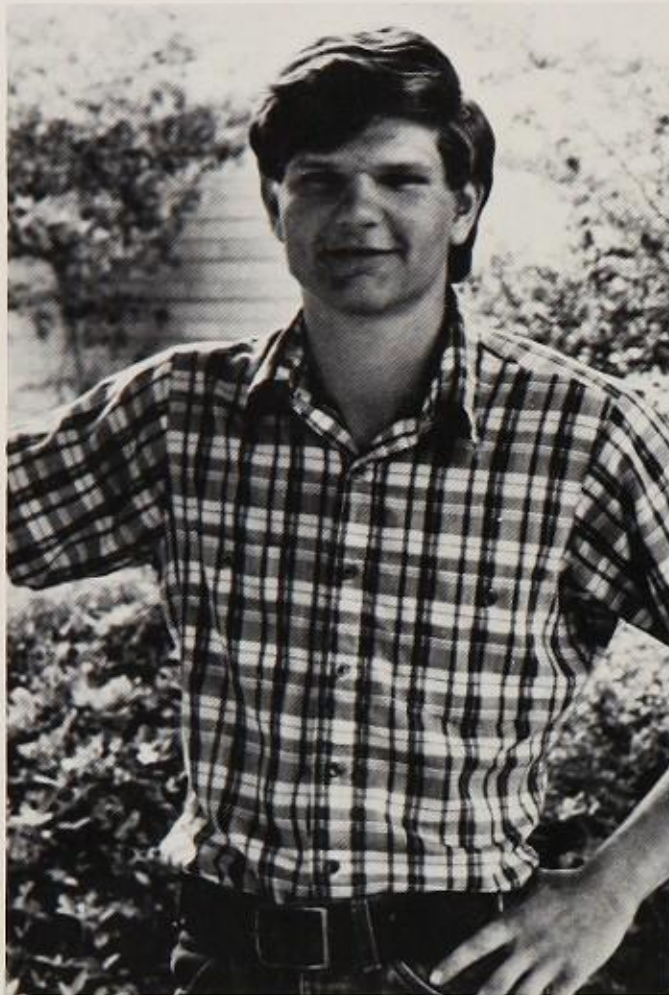

The hot sun was a little hard to take during the long graduation practice.

Students Make Traveling A Part Of School Academics

Clanton was chosen to go on the Bill Archer trip

Robert Lyle, Betty Rheiman, David Carter and Ed Pepper, advisor, went on the Washington trip

Chris Cottrell participated in the Capitol Scholar trip to Austin with Representative Milton Fox. Rep. Fox initiated the Capitol Scholar program in 1937 to give students an opportunity to see State government in action. Ten high schools, which serve the Legislative District 23, participated in the program and Cottrell was chosen to represent Katy High School.

Todd Clanton was chosen by the KHS History and Government departments to go before the junior American History classes, where he made a speech asking for the student's votes to go to Washington. In Washington, Clanton had the opportunity to meet and interview important people in the city and government. He also had the chance to see many historical sites in Washington.

During January, five students, accompanied by their teacher, flew to Washington D.C. with more than 200 other Houston area students. These participants were: David Carter, Mary Martin, Robert Lyle, Bethany Byrd, Betty Rheiman and Ed Pepper, advisor. They all represented Katy High School in the year's Close-Up program. Close-Up stands for closer to politics and closer to the basic interests of this country. The students were involved in numerous seminars, lectures and heard many well-known speakers. All together the students found the trip a very rewarding experience.

KHS Loses Friends During The School Term

Mr. and Mrs. Fritz Finke faithfully served KHS as custodians, before their retirement at the end of the '77-'78 school term. Fritz Finke worked as a custodian for 32 years and Minnie Finke worked for 31 years. Fritz Finke's first year was Supt. James E. Taylor's first year in the district, when Taylor was KHS principal. Minnie came to work the following year. They each received gold watches from the district, a party was thrown in their honor and they were presented a silver platter from the local teacher organizations.

"Some people find friendship in everything, whether it be a person or an animal. SCOTT THOMPSON will always be remembered and loved by both as a true friend.

The Katy Tigers In "Football On The Gridiron"

The Katy Tiger's senior quarterback, Eddle Benz, called the "43 Counter, 69 Dump" as Daniel "Red Bachlor ran across the field to catch a pass. After two winning seasons, the Tigers dropped to 3-6-1 in 1977. The young Tigers were competitive in every ball game, but a rugged schedule kept them from edging into the winning column.

Defense was the name of the game in 1977. The Tiger defense, led by veterans: Craig Baker, Donald Snowden, Terrell Mikeska, Ritchey Faulk and David Hunsucker, dealt trouble to opponents's ball carriers.

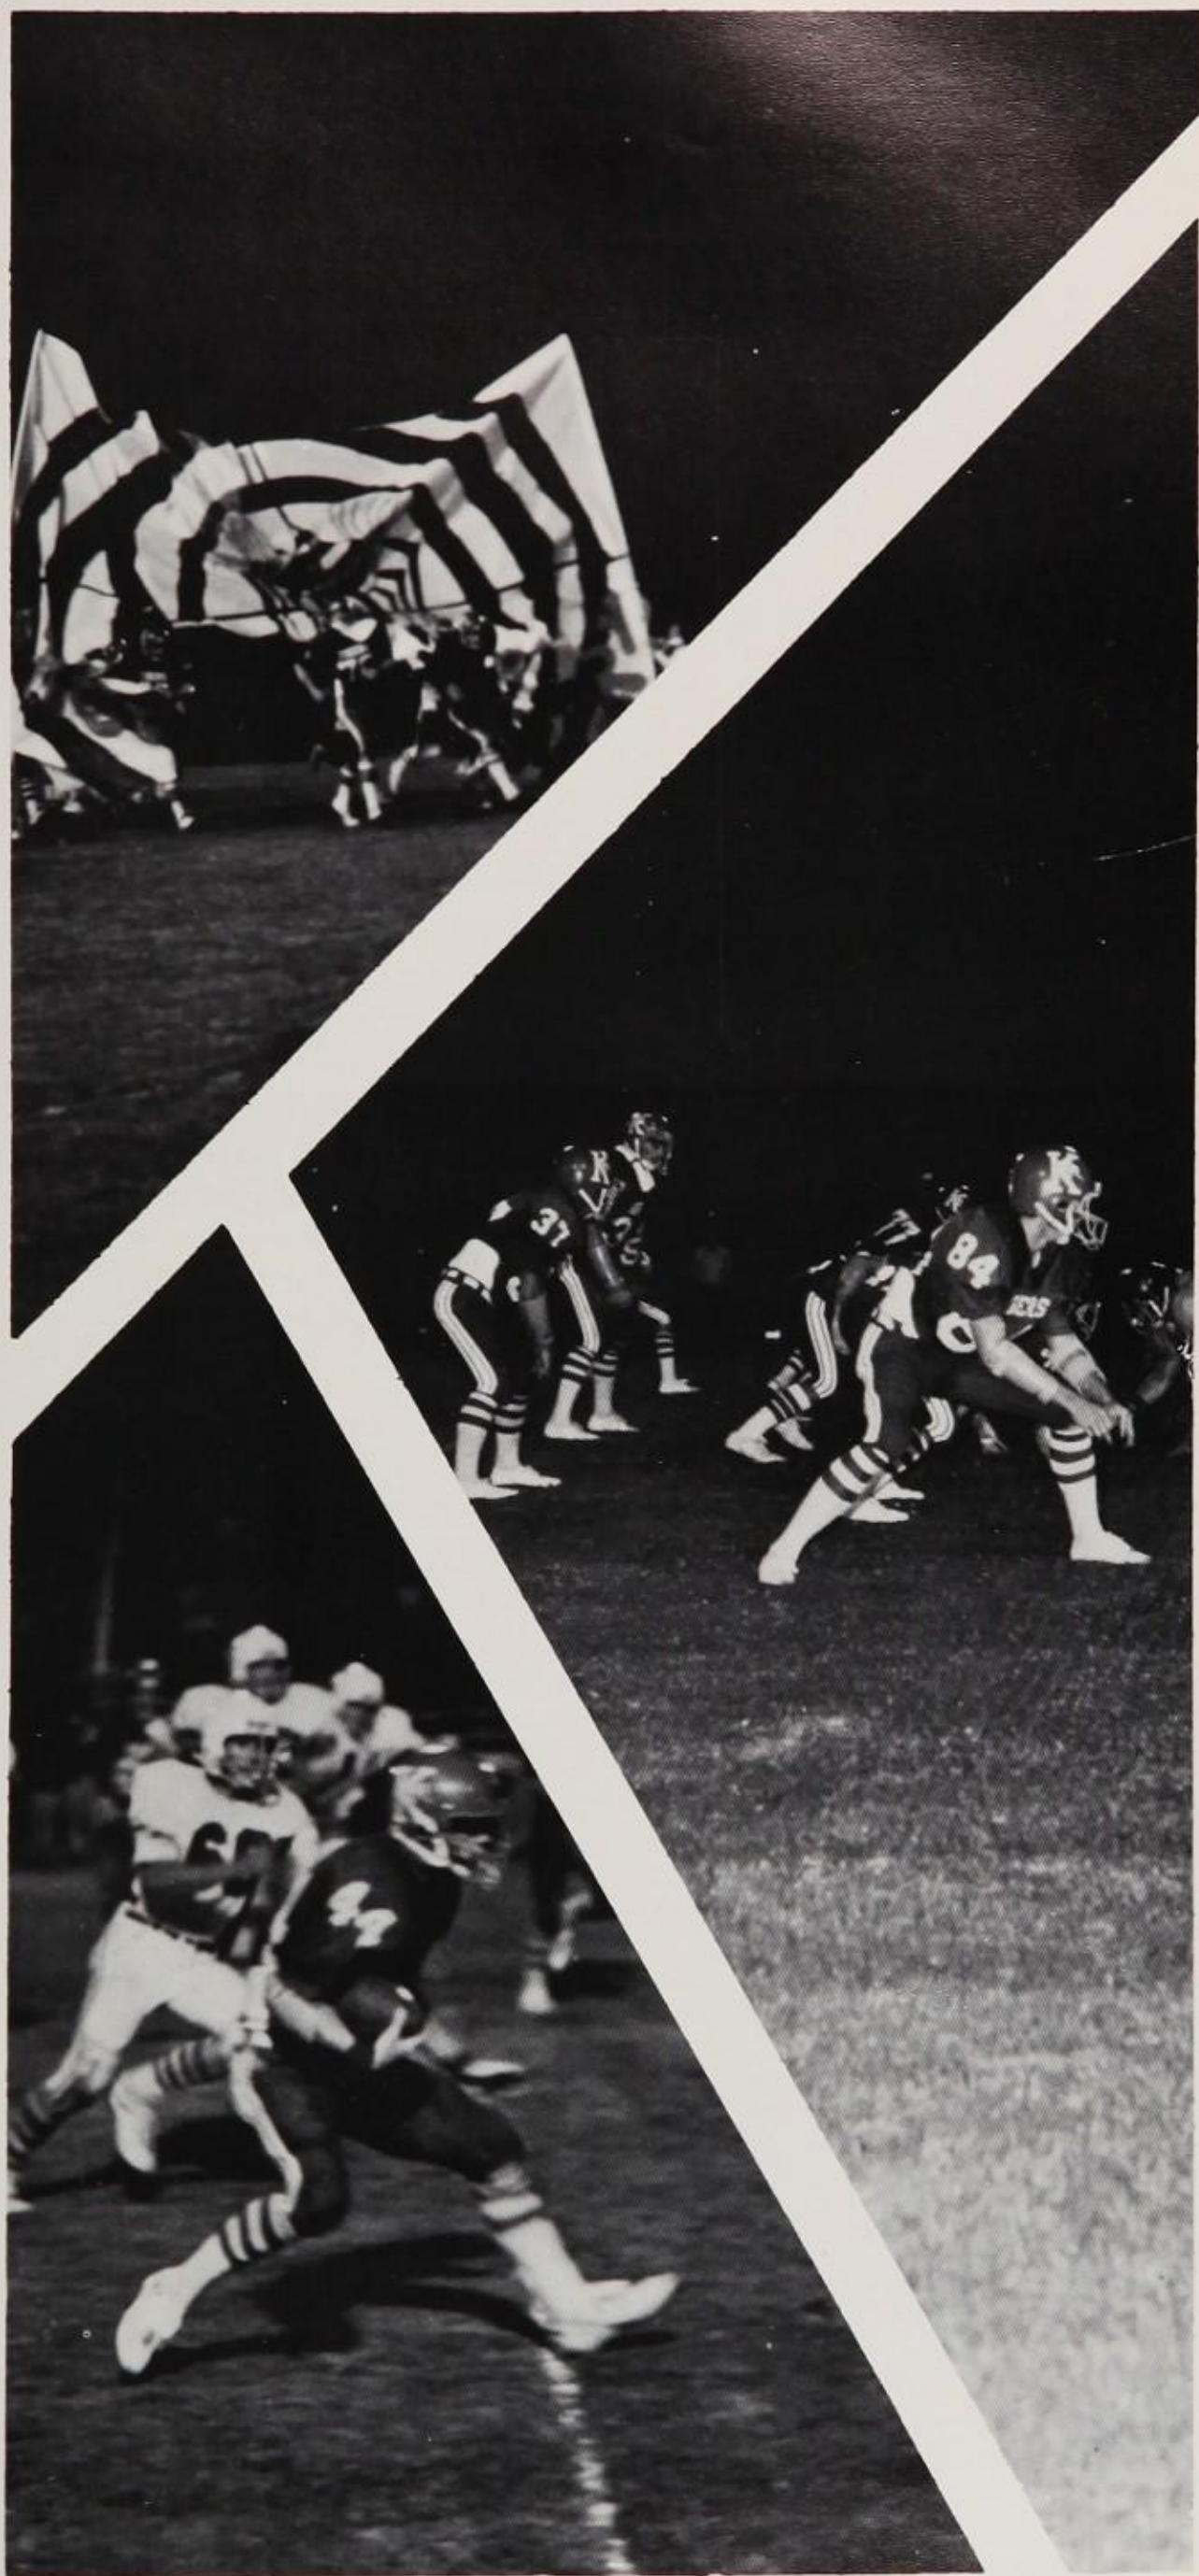

Two highlights of the season were the big opening wins over Needville and Eisenhower. The most exciting game of the season was the 12-12 tie, with the powerful Sealy Tigers, led by All-State-Running-Back Eric Dickerson. The field goal kicking of David "Tank" Garner was a big factor in these games. All season he kicked six of the eight field goals.

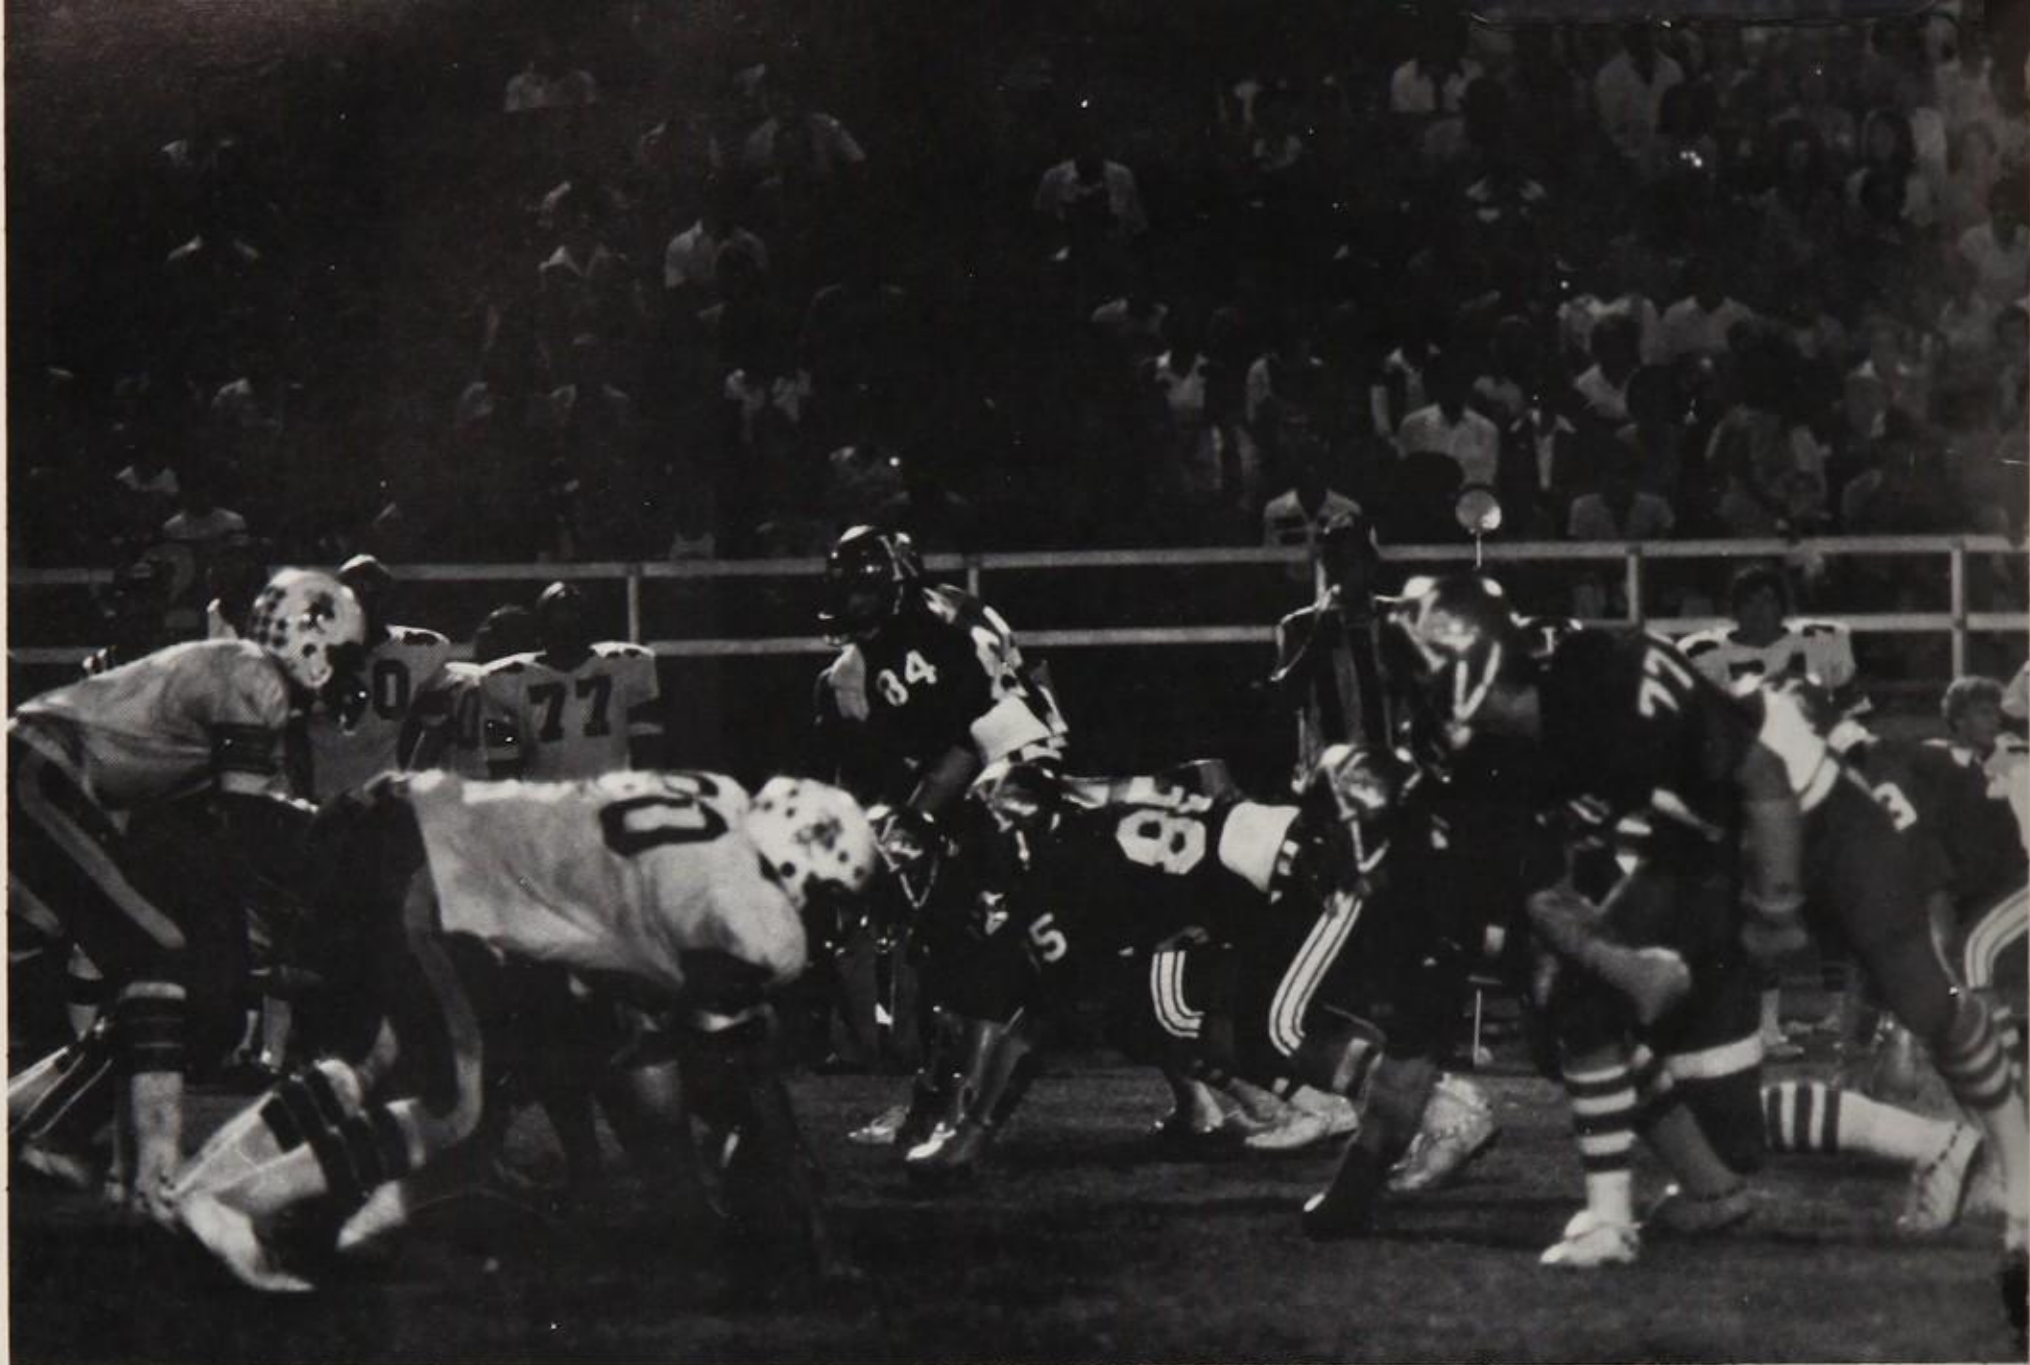

After a disappointing loss to the Tomball Cougars, 32-30, the Tigers bounced back to win a big Homecoming victory over the Navasota Rattlers, 14-0. The Tiger defense was at its best in that game. A heartbreaking 22-14 loss to the the closing minutes, was the finale of the high school careers for players: Ken Raper, Steve Hayward, Eddie Benz, Hunsucker, Snowden, Pete Anson, Garner, Kevin Humphries, Tony Mathews, Ken King, Doug Wilburn, Dean Wehunt, Baker, Faulk, Mike Ehrhart, Earle Connevey, Ken Serres, Bruce Golden, George Bradley and Joel Wilhite, manager.

Eight Tigers were selected to the 10AAA North Zone All-District team. The Tigers scored opening round victories against New Caney and Magnolia in pre-season scrimmages, and then rang up impressive wins over Needville, Aldine Eisenhower, Bellville, C.E. These losses spurred the Tigers to exert special efforts throughout the season.

Trainer Hazen, McRight and other members of the team watched as Katy scored extra points.

The Junior Varsity football team showed talent throughout the season in the way they played in unison, and ran "to tackle the man with the ball."

Freshmen Make A Rough Go Of First Season

Freshman quarterback, Bart Brown, led his offensive line into war with the Tomball defense.

There were 55 freshmen who started the season under the hot August sun, but by the last game in November only 42 remained. Their record of 0-9-1 was no indication of their desire and enthusiasm. The Tigers were competitive in every game, losing seven of the nine games by six or less points.

The offense was led by the passing of Bart Brown who threw for five TDs. Mike Corliss and Craig Cardiff led the ground troops with 489 and 468 yards for the season respectively. Robbie Callegari was the leading receiver with three TD catches, followed by Bruce Palfreyman and Mark Della Calce.

Barry Posey, Jim Devore, Danny Terronez, Andy Maywald and Carlton Norman were jarring blockers.

The defense was highlighted with fierce tackling, led by Cardiff at his linebacker position. Other key defensive players were Kevin Franz, Craig Wilder, Bruce Baker, Travis Luke, Jimmy Parker and Callegari. Wilder and Callegari intercepted passes during the season and Callegari returned his for a 40-yard score.

With the team's enthusiasm and "Never say die" attitude, the future looks bright.

The 1977-'78 basketball season was one in which the Tigers improved towards their goal of becoming district champions. The early season began with seven straight victories, only to be hampered by an injury to senior, David Vaughan.

However, all players continued to improve as they finished fourth in district play. It was a hard job because of the overall strength of Katy's zone.

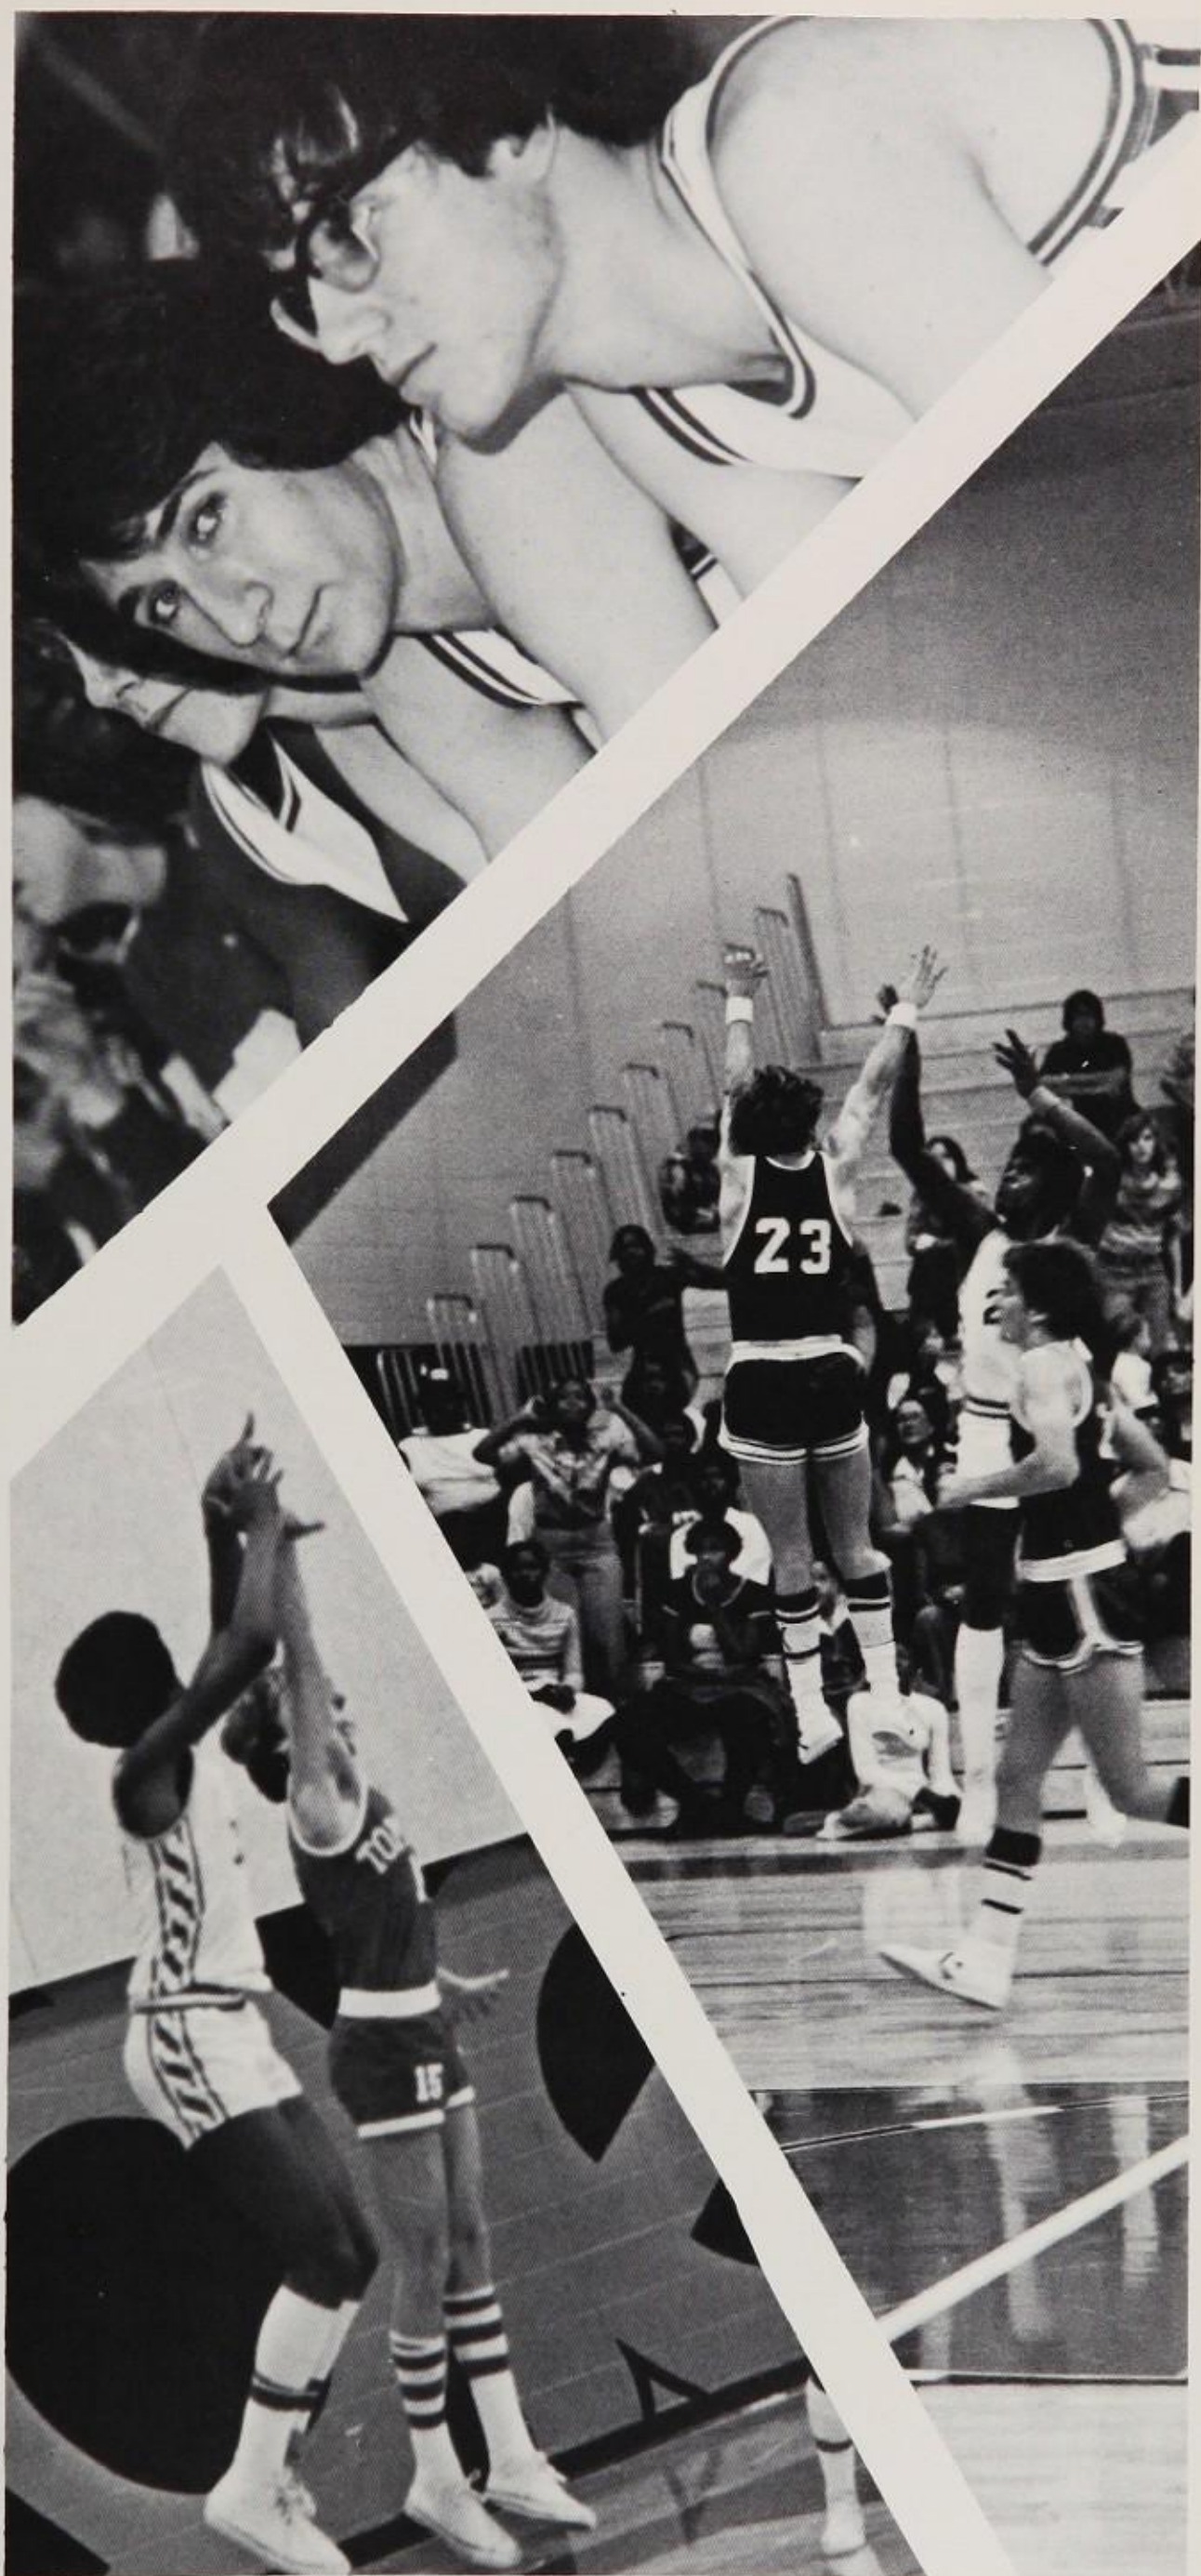

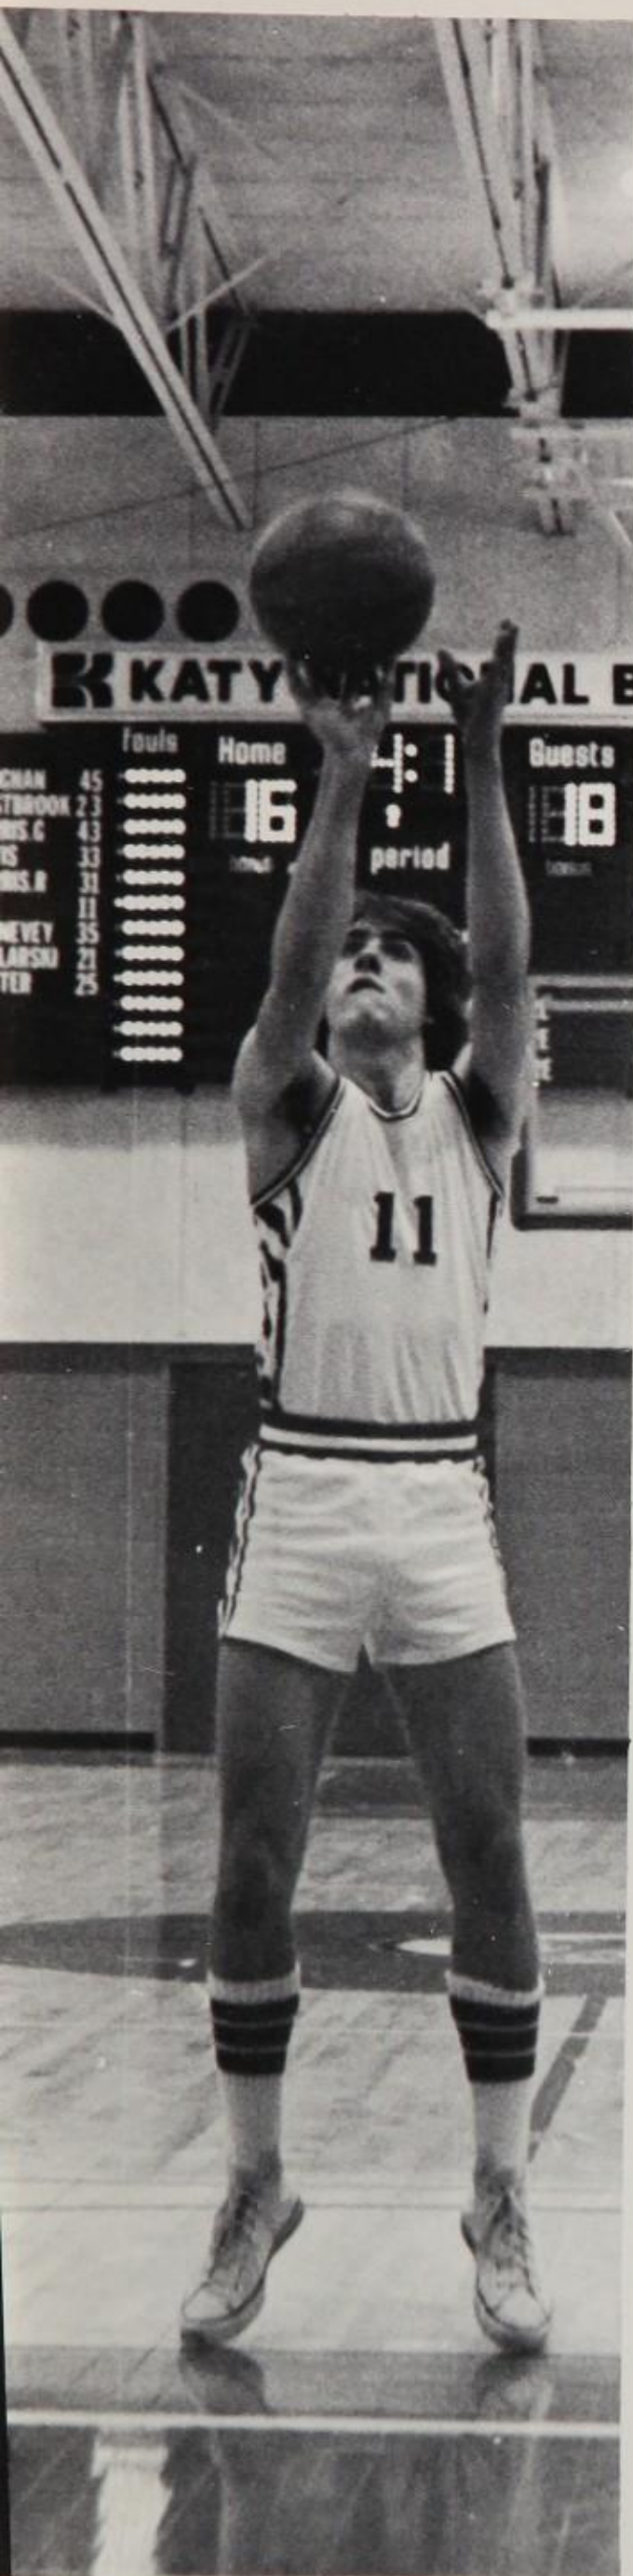

At the end of the season, Coach Leonard Yarbrough commented, "We were pretty close to our goal. However, next year we will have four of our five starters returning, so our future looks bright for the '78-'79 season."

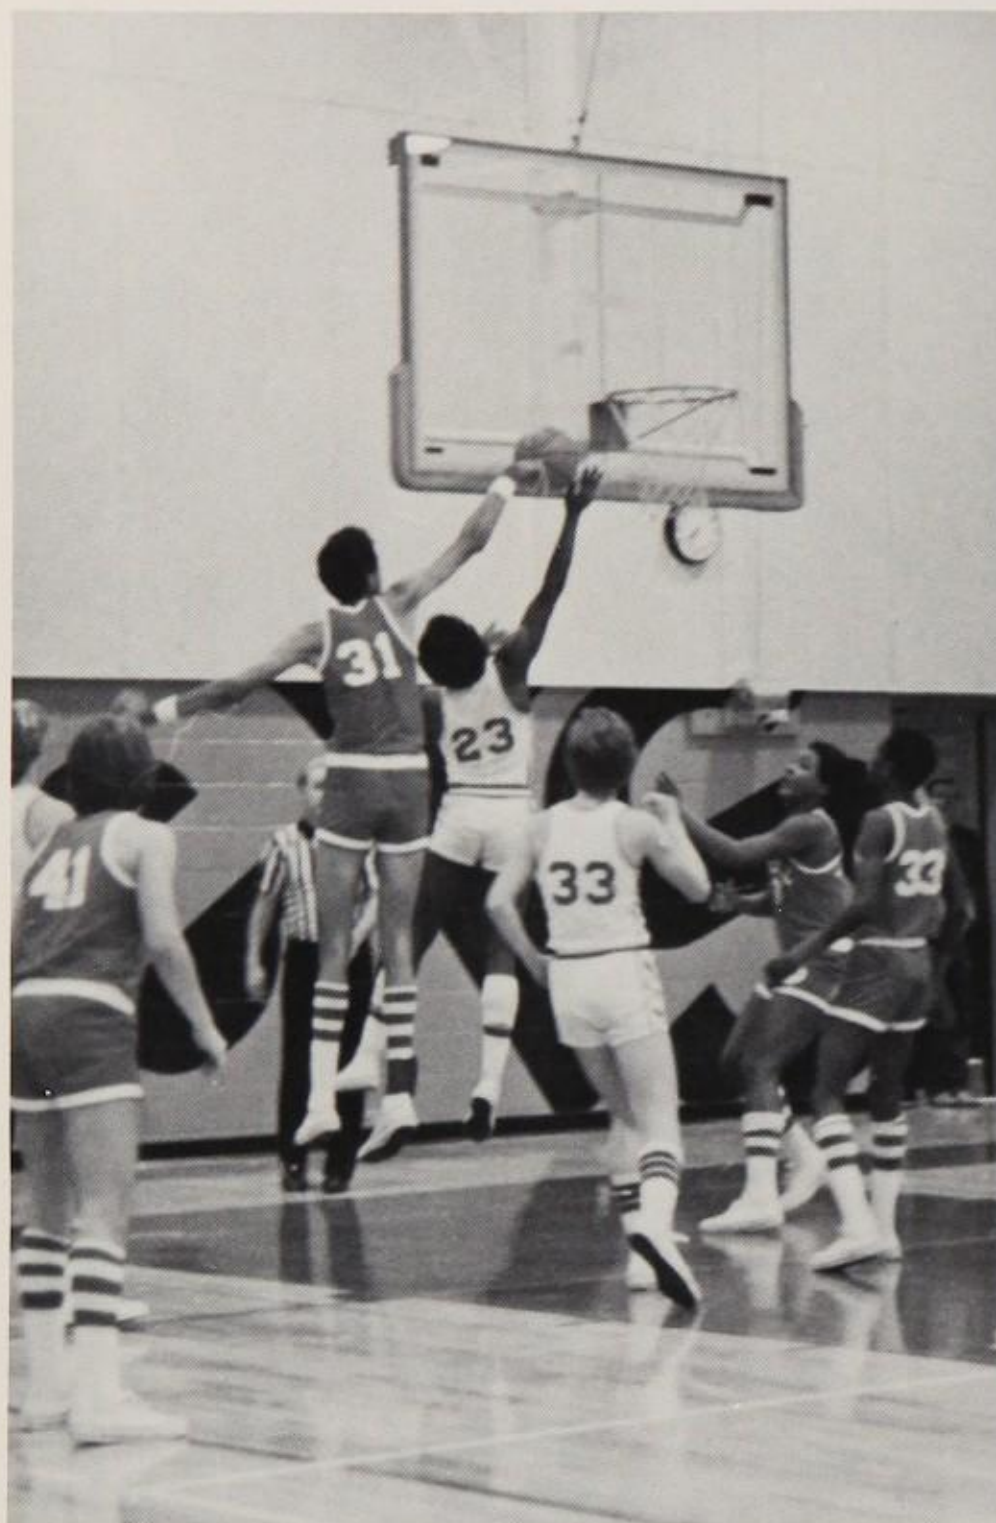

Greg Harris never learned how to catch a basketball with two hands.

Tip-off time found Ronald Harris trying to get a piece of the ball, but the big guy from Tomball proved to be too much for him.

The year "carried" several accomplishments for the team, including a first place win at the Alief Tourney and a vast improvement over the previous year's record. Coaching the Tigerettes was Barbara Masterson, who was a new addition to the KHS coaching staff.

Started It Wrong—Got It Together—Ended It Strong

The Varsity Tiger Water Polo squad, headed by Coach David Youngblood, had a much improved playing year. Both the girls' and boys' teams met against stiff state-ranked teams all season. Captain Doug Shehan and Co-captain, Chris Cottrell, led the boys' team. Captain Amy Jordan and Co-captain Mary Martin led the girls' team. With more experience each year, the Tiger Varsity Water Polo squad will have a name in the game.

Jon Lange liked to pretend he was "Jaws."

Jon Lange and Chris Cottrell have been swimming so much that they even swim in their sleep.

Every once in a while a swimmer suddenly, without warning, becomes afraid of the water just about the time he was about to begin a race.

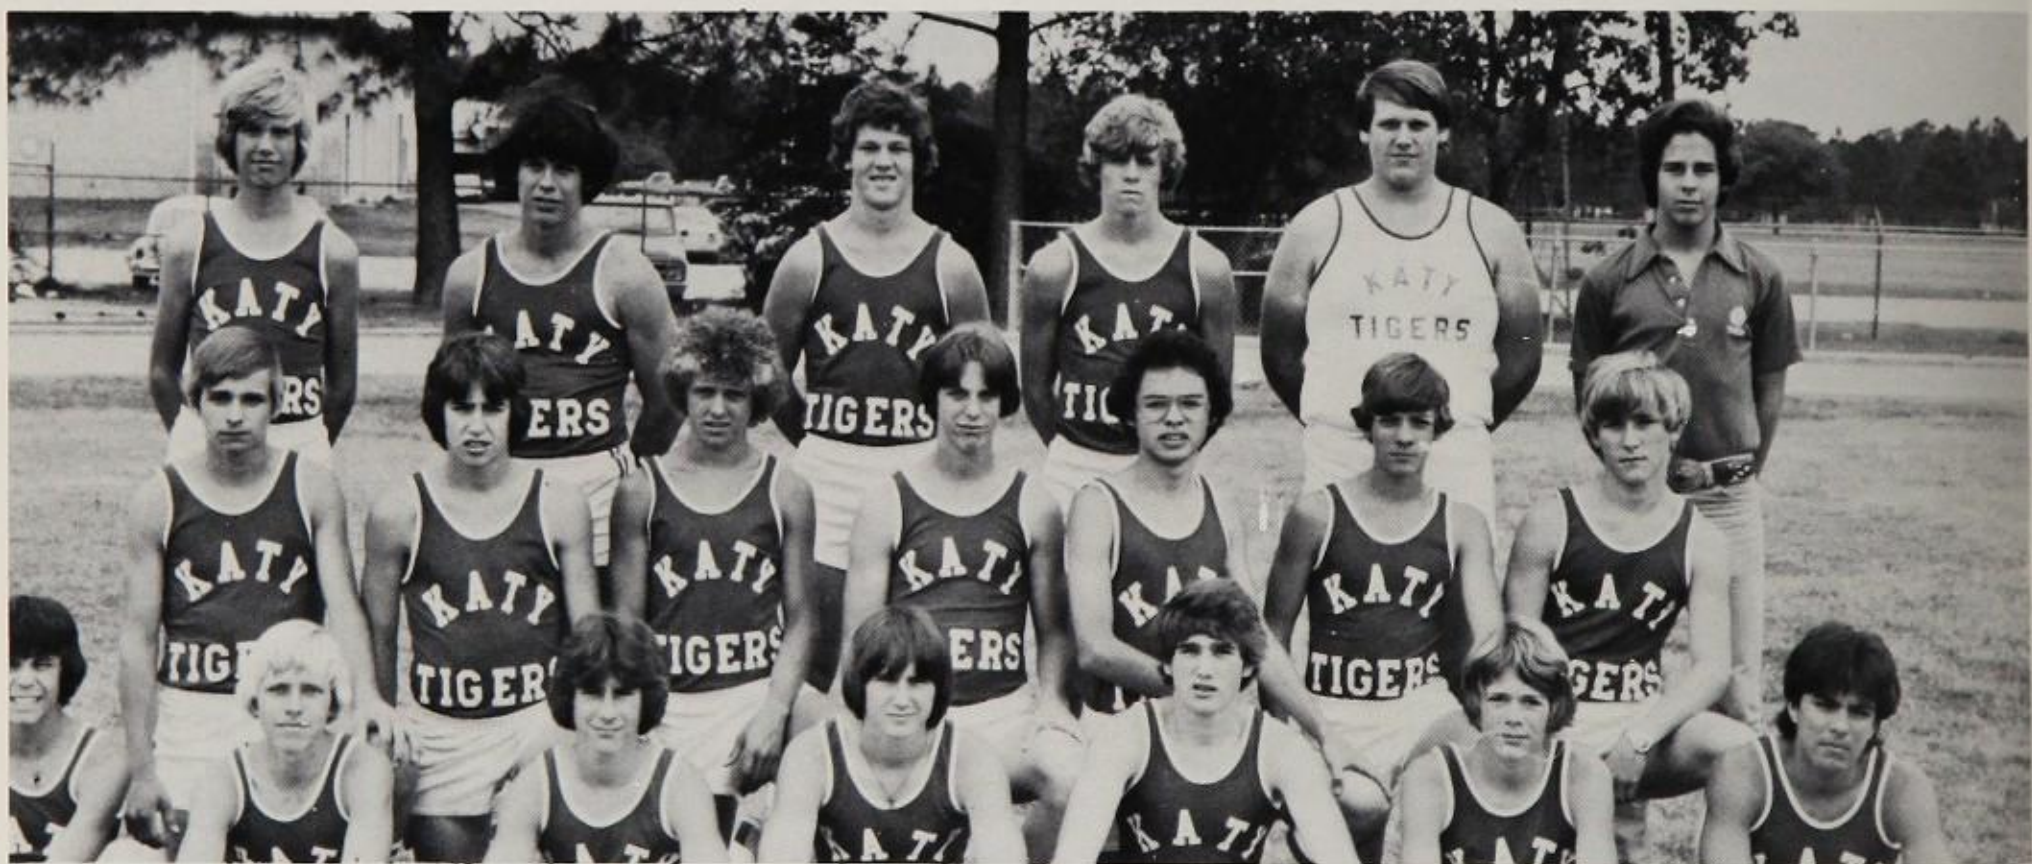

The opponents proved to be stiff competition, but Katy swimmers held their own in the meets they competed in.

In girls' doubles, Townsend and Martin finished third in district. They won second in zone and came back to beat Tomball, to place third in district.

In boys' doubles, Johnson and Stoelke had the best win-loss record, winning 65 percent of their matches. They won the Columbus Tourney, taking first place.

In girls' singles, Reuwer played well in zone before losing to Kelly McLendon of Brenham.

In boys' singles, Frihart played in zone, losing in the second round to Jay Sawyer of A&M Consolidated.

Boy Golfers Tee Off To A Season Full Of Success

The boys' golf team steadily improved throughout the season and qualified for the district championship. The players competed against schools from 4A ratings and did a respectable job. They finished in the top 10, five times, and won third in their own Katy Invitational. They took second in zone and won third in district against the new state champions.

This year's squad was very young, consisting of five freshmen, six sophomores and six juniors. James Mitchell was the Most Valuable Player, as a sophomore, and great things are expected of him—along with sophomore, Shawn O'Shell. Juniors: Marty Brugner (82), Derek Freeman (83), Jay Matzinger (85), Tom Kramer (86), Chuck McMahon (89) and Bobby Mohr (91) also provided the team with leadership.

Other sophomores included Steve Allender (86), David Hermann (97), Jason Pohlman (99) and Mike Dabney (97). The freshman team was led by David Reeves, (93) and Doug Johnston (93). Myron Andrew (94), Scott Todd (95) and Trey Holland (98) also played for the freshmen.

The future looks bright for the Tigers, with all players returning next year.

Tommy Kramer took time off from golf to do a little fishing on the side.

Girl Putters End A Rewarding Season With Hole-In-One

The girls' golf team completed a successful season by placing in the top three places, in three of six tournaments. The girls won two trophies by placing second in the Katy Invitational and third in the Bryan Invitational. They also placed second in the zone play-offs and fourth in the district championship.

In only the second year of competition, the girls have established many new school records. Among them was a fine team total of 402. Julie Dearing, senior, won this year's Most Valuable Player award. She had an overall average of 105 for the year. Dearing also established an 18 hole record, with a fine round of 91. Diana Horadam, junior, was the team's second leading scorer, with an average of 106.

Lisa Suter (113) was the only other senior who played for two years. Other returning lettermen, who aided greatly to the successful season were: Stacey Atkinson (jr.-114), Karin Atkinson (fresh.-116), Kelly Davis (soph.-120), Kim Wilson (jr.-120) and Sonya Tijerina (fresh.-130).

The girls worked hard and long hours in all kinds of weather. With their continued play throughout the summer, Katy will be favored to go a long way in the state play-offs next season.

Stacey Atkinson, Kelly Davis and Diana Horadam approached Green Meadows Golf Club.

Lisa Suter watched the ball roll straight into the hole.

Varsity Team Strikes Up Many Wins—But Falls Short Of State

Robert Rosales, Junior, wasn't afraid of pitching to any hard hitter.

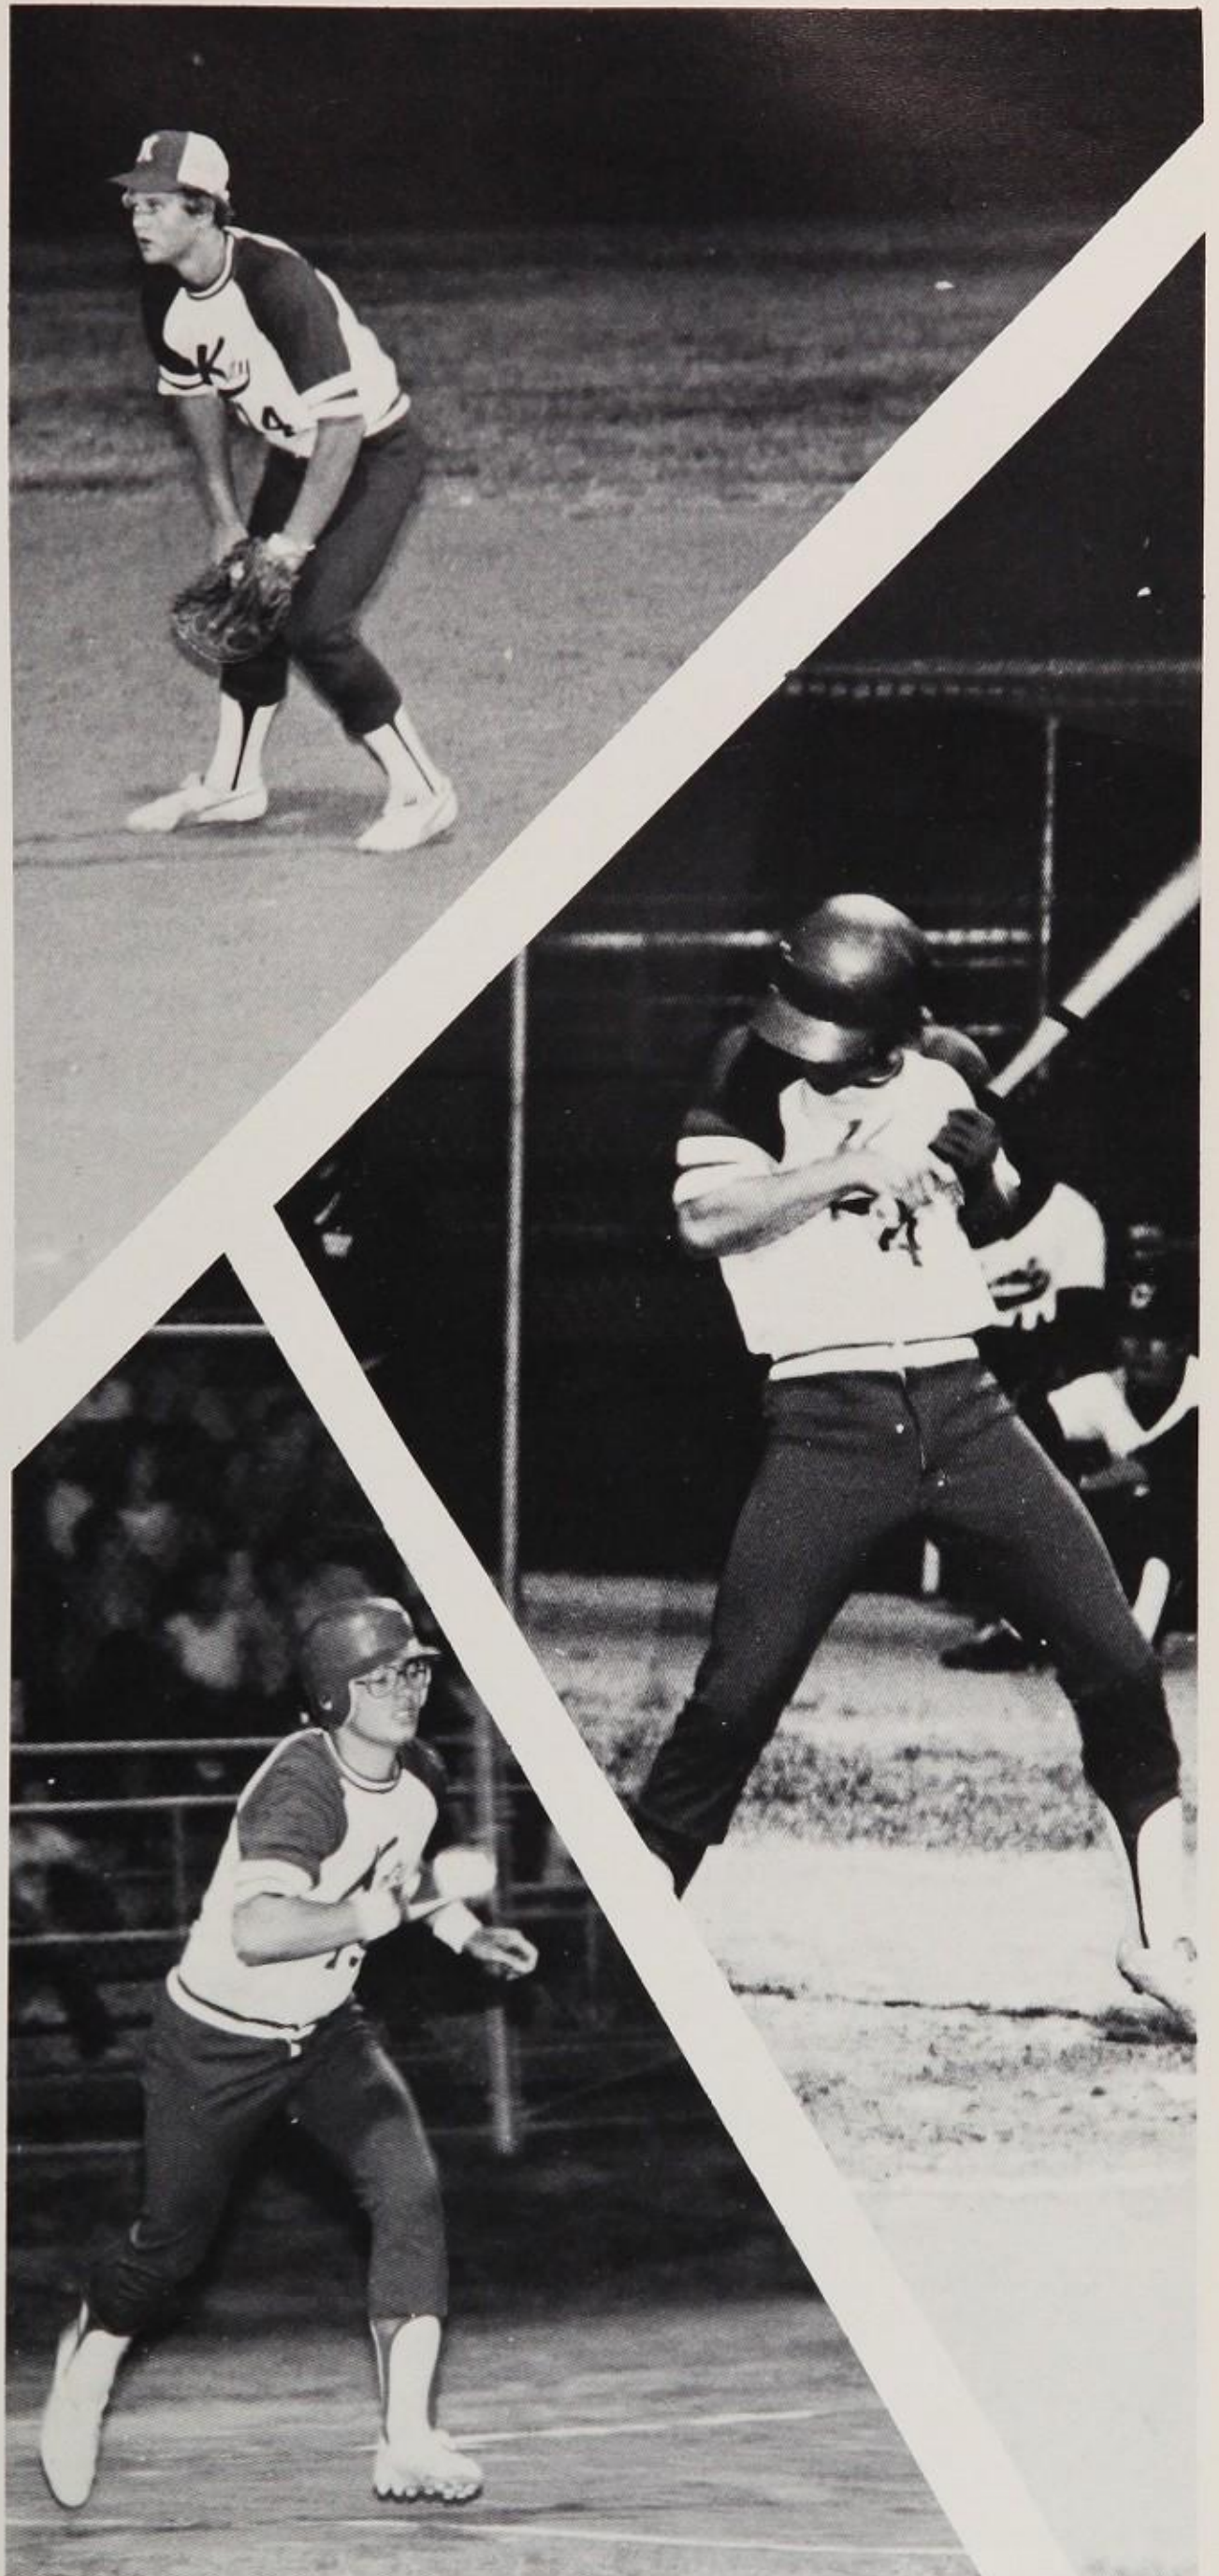

The 1978 Katy Tigers proved to be the most exciting edition the school has fielded to date. Ranked no better than third in the pre-season polls, the youthful Tigers posted a 8-2 record in route to their third straight championship season. In an unforgettable game the Tigers came from six runs down to beat powerful Brenham, 10-6, in the last Zone game and tie for the championship. During the season Katy posted wins over Bellville, Alief Elsie, Tomball, Huntsville, Navasota, A&M Consolidated, Brenham and New Caney. Ten Tigers were mentioned for All-District honors. Glenn Wakefield, Trey South, Fred Ruland, Gary Poe and David Garner were all on the first team. Roy Peterson, Robbie Templet and Donald Snowden were on the second team. Benny Jasek and Tim Custer won an honorable mention.

Coach Relnecker made sure each team member hit the ball before a game.

Sometimes, before a game, Donald Snowden would rather be left alone.

Loy Maxon followed through with a level swing to send the ball into far left field.

Doug Hanson concentrated on following the ball with his eye and decided not to swing.

Defense was the name of the game for the 1978 Katy Tigers JV baseball team. The team had a fielding average of .913 at the end of a 5-7 season. The combined pitching of sophomores Keven White and Joe Harris, and freshmen Greg Kaspar and Don Crosier, totaled 70 strike outs of Katy opponents.

Among the highlights of the '78 season were two no-hitters and a one-hitter, thrown by White. White's first no-hitter came in the season opener against Cypress Creek. His one-hitter came against a strong A&M Consolidated team.

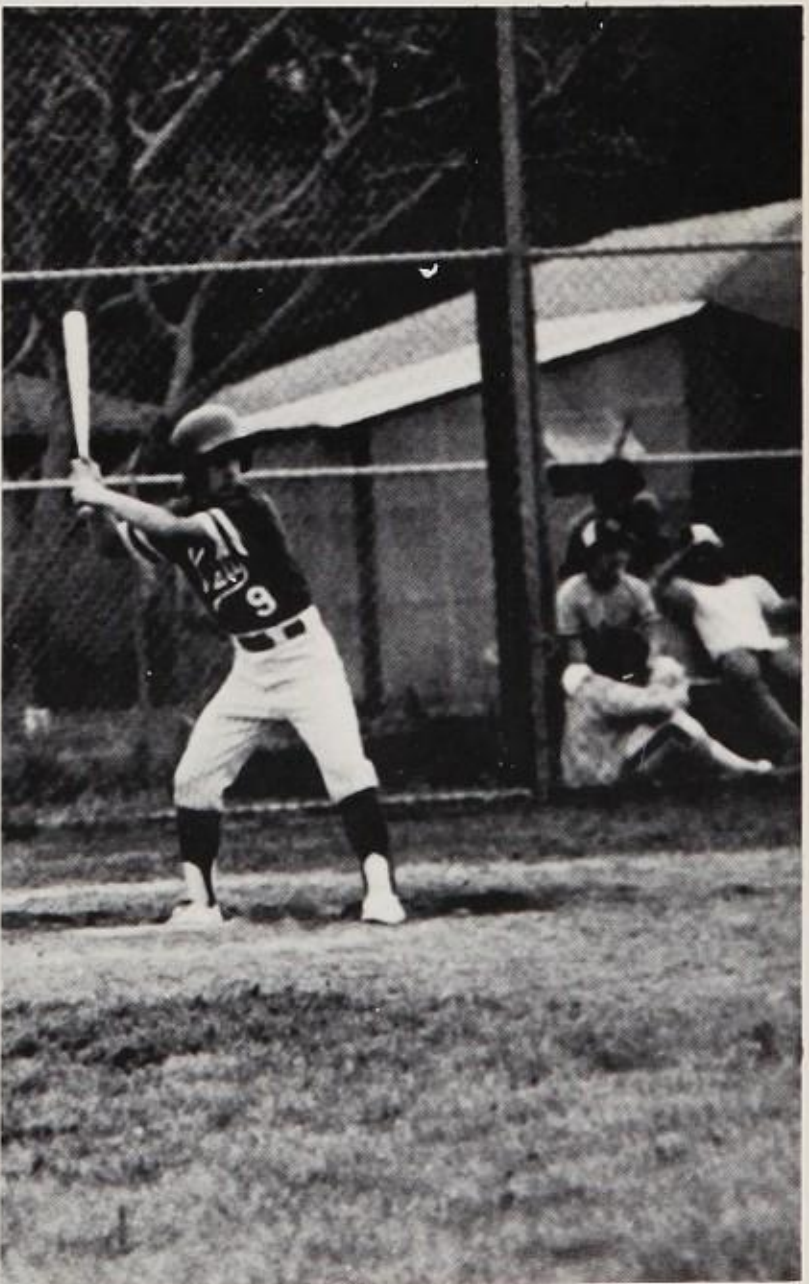

Phil Wilburn led the team in batting, until mid-way through the season, when he broke his thumb on a head-first slide into home. He was hitting .500 and had done an outstanding job on defense until that time.

Brian Sutton led the team in batting at the end of the season with a .286 average. Doug Hanson and Robert Gaston tied for top honors in fielding with .963 averages.

Loy Maxon was the team leader of stolen bases with seven, and Bart Brown and Mark Raper tied for second with five each.

Raper was the leader in the RBI department with 11 and Brett Price was the top man for assists with 20.

Even though the team finished one game under .500, the season was marked with the things that make a Katy Tiger: Hard Work, Enthusiasm, Dedication and Desire.

Robert Gaston watched the wind-up and prepared to hit.

The cheerleaders did a cheer to a megaphone beat at a basketball game.

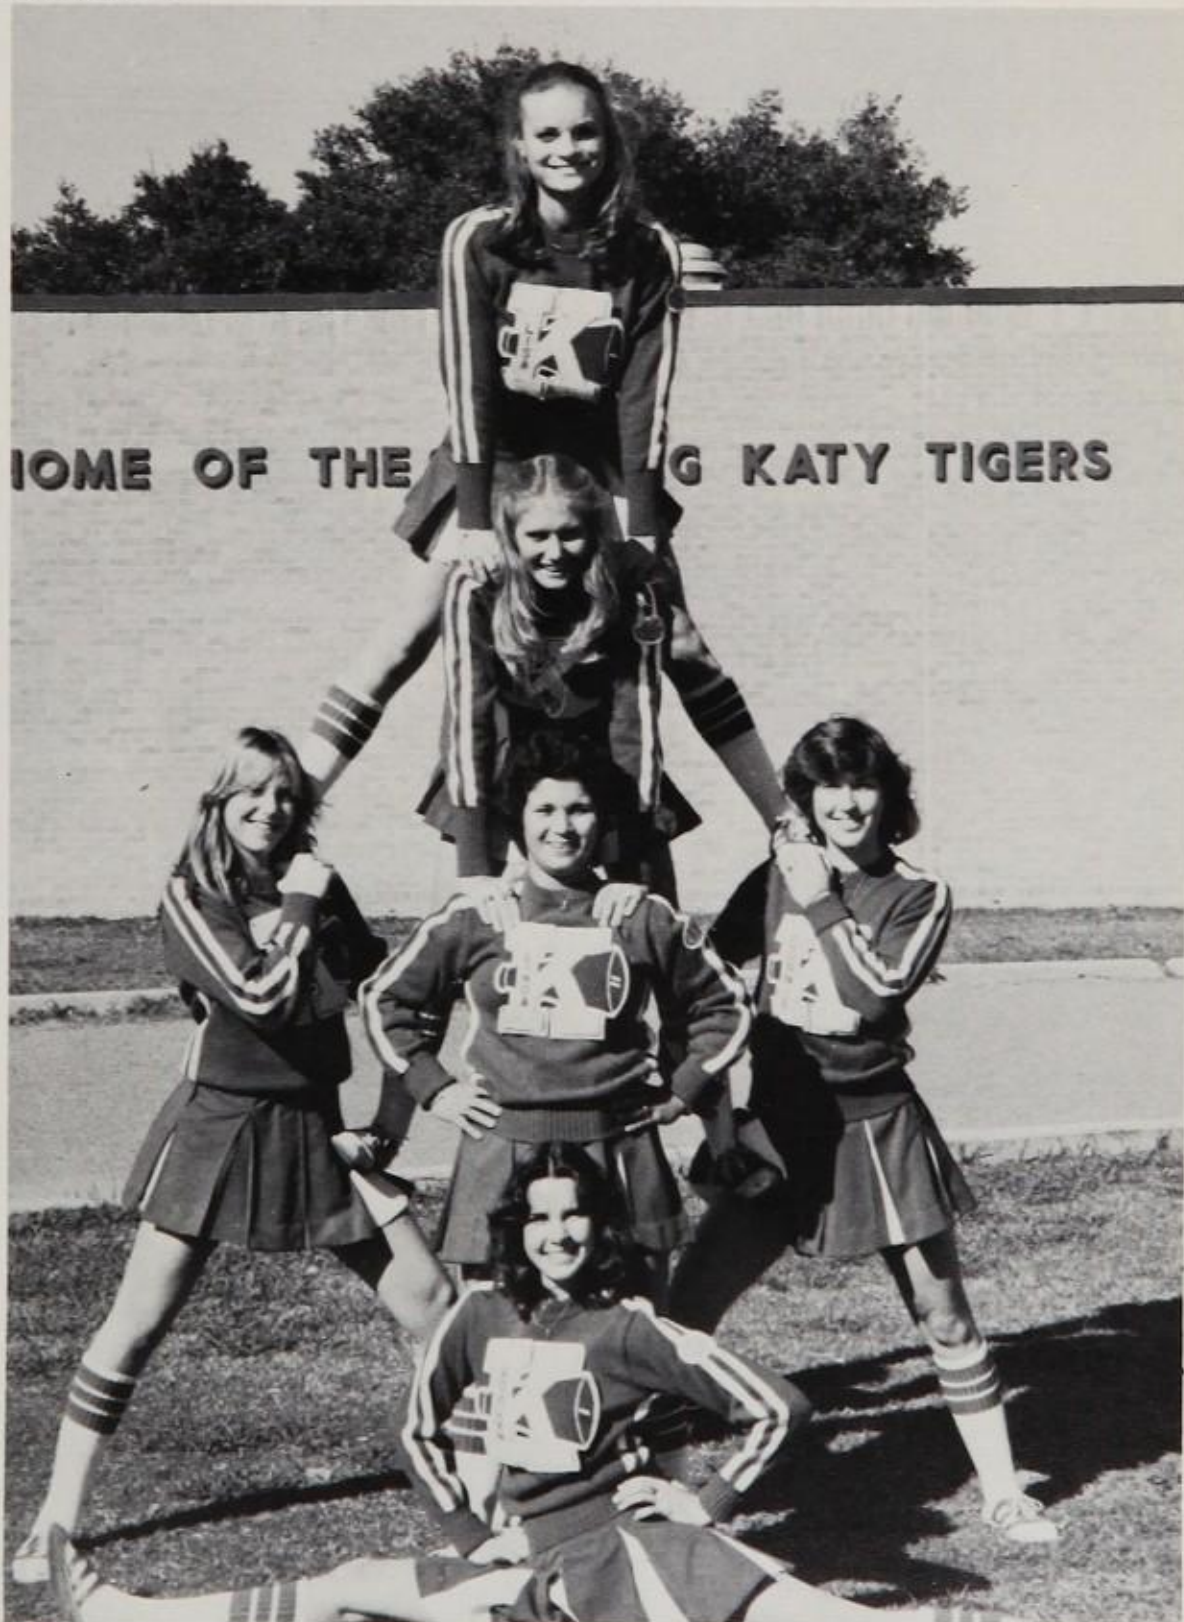

The 1977-78 cheerleaders and mascot consisted of seven spirited girls. This unified squad was made up of three seniors, three juniors and one sophomore. They were present at most home events and attended at least one game of every sport that KHS participated in. They worked hard during football season, along with the pep squad, to make the school year a better one. Long hours were spent painting signs, practicing for pep rallies and getting the student body involved. They attended almost every home basketball game, tennis matches, baseball games and track meets. The fact that KHS was growing very rapidly did not slow the continuous spirit of the six cheerleaders and the Tiger mascot, Amy Stubblefield.

Rochel McBeath and Linda Cobia performed in one skit.

School Board Members Plan Many New Projects

FIRST ROW: Charles. H. Ehlert, Wesley C. Nelson and James E. Taylor, superIntendent. **SECOND ROW:** Eugene B. Lange, Edgar C. Walton, James E. Williams, Herman C. Meyer and Oscar M. Fraley.

Mrs. Betty Lambert, secretary for the KISD school board.

The KISD School Board helped many important events take place in the 1977-78 school term.

One project of the year included the planning and production of four new schools. The schools consist of three elementaries and one high school. They are: James E. Taylor High School, which will be built in Nottingham; Memorial Parkway Elementary, Bear Creek Elementary and Zelma Hutsell Elementary, which is being built on Franz Road. Also on Franz Road, a Transportation and Maintenance Center began construction. Construction on the schools began during the spring of '78. All elementaries should open in the fall of '78, with James E. Taylor High School opening in the fall of '79.

Another event of the year included board elections in March. New members were chosen and three active board members were replaced. Nick Alexander took Edgar Walton's place for Position 4; Wesley Nelson stepped out of Position 5, and Gene Myrick stepped in. Ronald Reed filled Oscar Fraley's spot for Position 3.

During the '77-'78 school term, Superintendent James E. Taylor announced his retirement. After 32 years of service to the KISD, one year as high school principal and 31 years as superintendent, Taylor ended his long education career.

The 1978-'79 Superintendent will be Gordon Brown. Brown was a former KHS football coach, but he will be coming to Katy from Conroe. In Conroe, he served as assistant superintendent for the Conroe Independent School District. His term began in July.

KHS Watches Current Events Of The Year

Reggie Jackson, of the NY Yankees, set a home run record in the 1977 World Series. He hit three homers in one game.

George Willig climbed the face of the World Trade Tower.

America's space shuttle, Enterprise, rode atop its 747 carrier in February over the California mountains and desert during its first test flight.

Gene Simmons, vampire figure of the group KISS, extended his serpent-like tongue which he displayed during the groups performance.

Bing Crosby, who died in October 1977, filled people's lives with music.

The newest face on the star scene in 1977 was Farah Fawcett Majors.

Janet Guthrie was the first woman to compete in the Indianapolis 500.

The current events of the year were watched by many, but were recorded by few. The events were remembered at the time, then were tucked away in everyone's memory and forgotten. Those events illustrated the changes in today's lifestyle. The passing of time, advancement of technology and the plain nuttiness of people have kept things going in the world.

Seniors Anticipate The Coming Of Graduation

The end of the school year was filled with mixed emotions. The excitement, happiness and sadness of the end of school was experienced by many. Seniors expressed these feelings strongly. The seniors felt the excitement of graduation and the anticipation of a new and different life. They felt happiness because they were finally out! The sadness was felt because old friends and good times were going to be left behind. Each was to go his separate way. The days ahead were filled with many new experiences for KHS seniors.

Mr. McDonald presented Kirk Grubenman with a perfect attendance award at graduation.

Seniors waited in the sweltering heat for everyone to arrive so that graduation practice could begin on time.

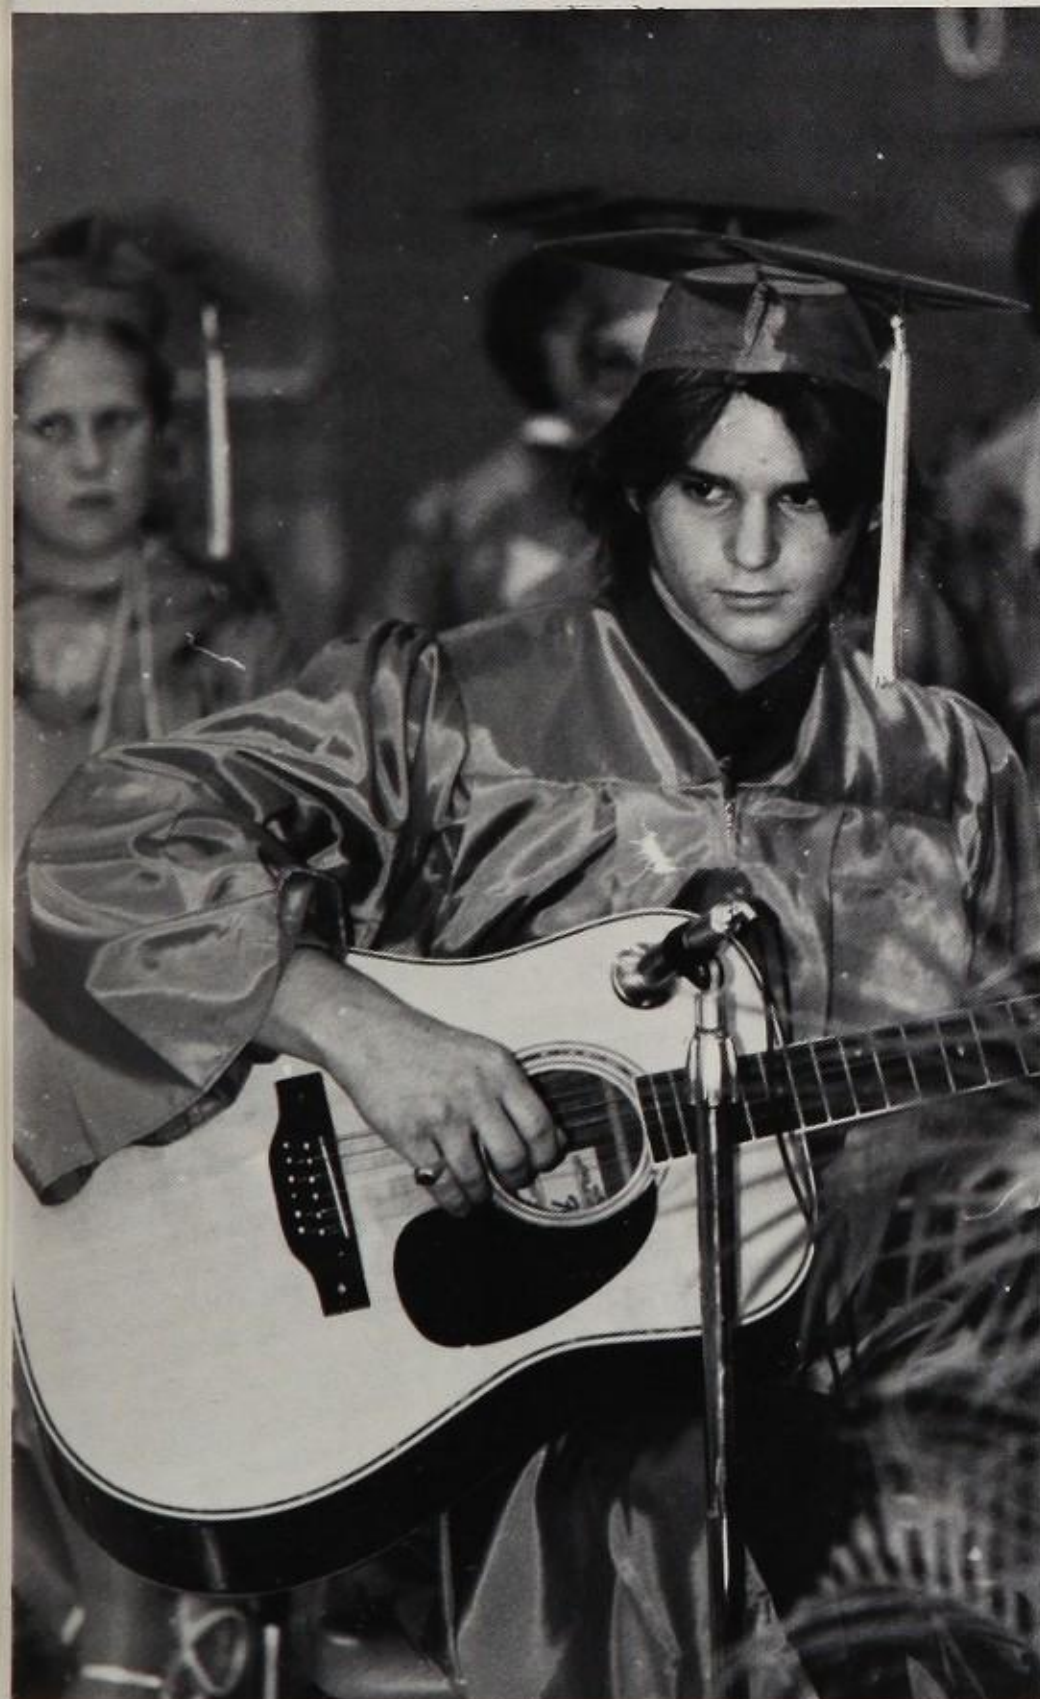

Kevin Humphries, David Riddle and Lauren Myrick talked among themselves while they waited for the other seniors to arrive.

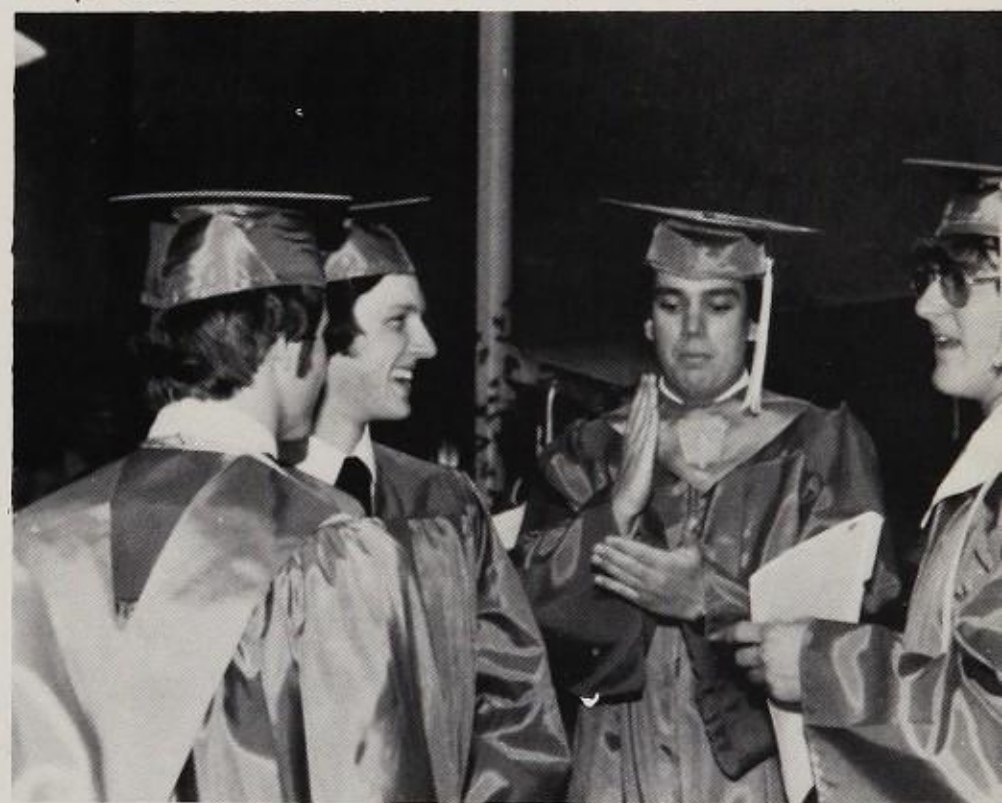

Dr. Williams spoke before he presented the KHS diplomas.

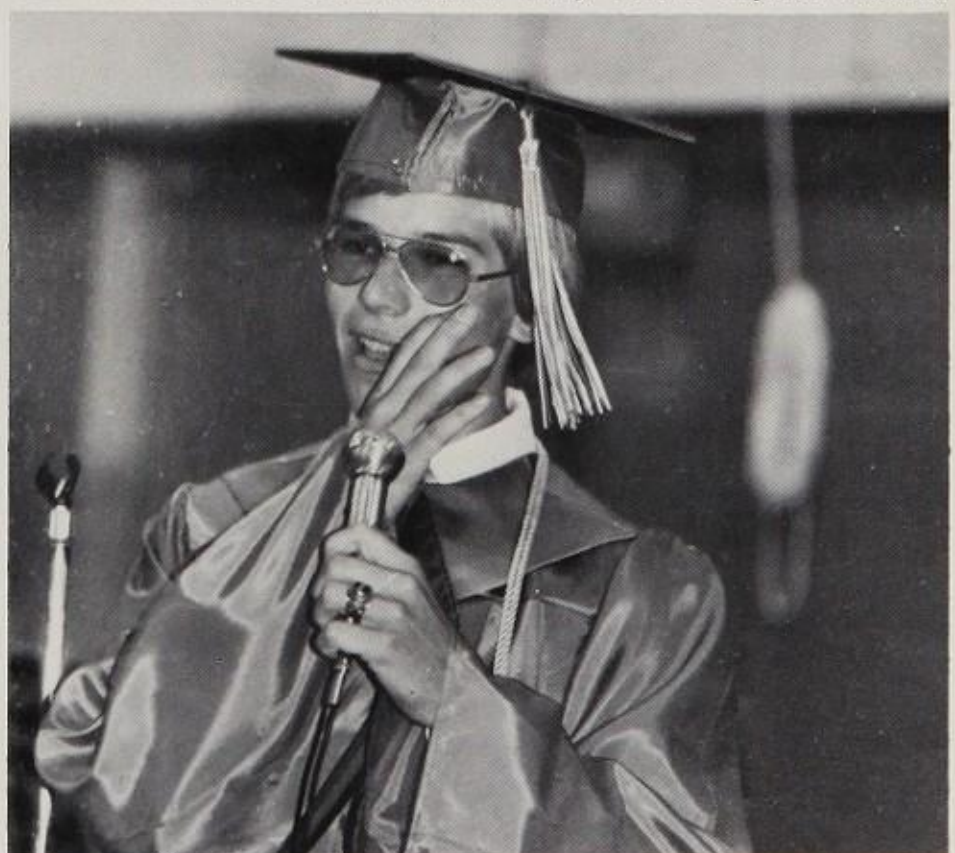

Carla Allen, Susan Stovall and Pam Clamplitt sang at graduation.

Mike Gillick accompanied Cheryl Cutler as she sang the class song.

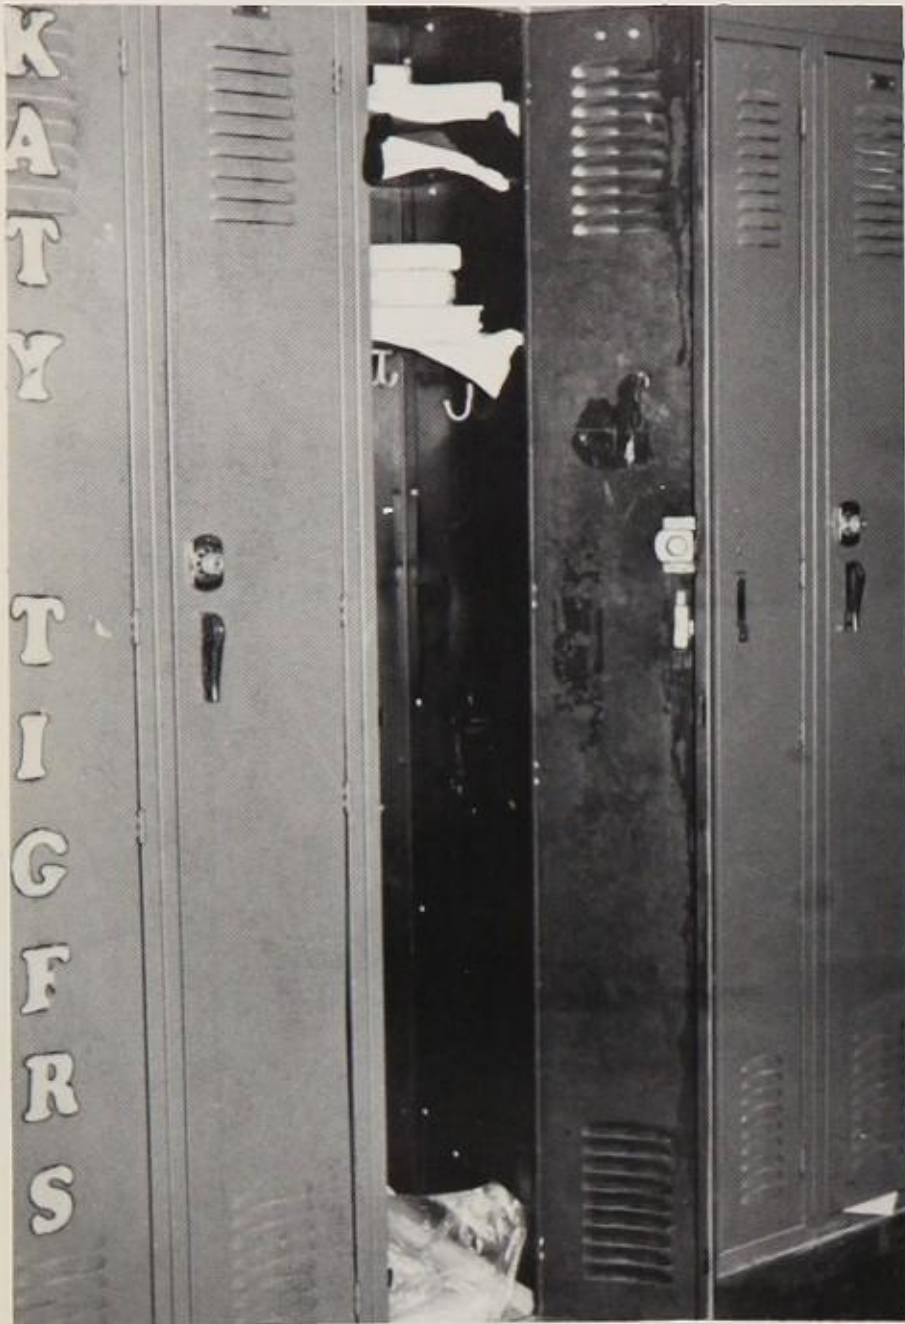

Last minute jitters were laughed away before anyone entered.

David Riddle enlightened the audience with a spiritual speech.

Last Days Of School Are Completed With Mixed Emotions

A good example of any KHS locker; messy and unorganized!!

The 1977-78 school year ended with success and sorrow. The last few days were filled with excitement and a frenzy of activity. Everyone was cleaning out their lockers and studying for final exams. Good-byes were said and the halls were emptied once more.

Spectators at the fence showed mixed emotions at a Katy Varsity football game.

Bubba Bradley was surprised on his birthday with a singing telegram

Coach Marvin Sanders and Coach Scott Griffin took a short "snooze" before the field events, of a the track meet, started

Zae Wynn visited the new school and students after a stay in the hospital.

Mr. Taylor attended an ice cream party in his honor at the high school commons.

Kim Hayward jogged to the lab room for a dummy sheet

The pep squad yelled, jumped, clapped and expressed their spirit at every Varsity football game they attended, whether it was in or out of town.
